Mr. Youngerman,

John Plaschke

Mr. Youngerman -  
I've always heard Sandy  
has been about 5 times I heard  
I heard you - I was petrified (I was)  
But it didn't turn out to be as  
bad as I thought. I really love  
your class - even though I'm new  
here! You've helped me out  
 alot this year; I really  
appreciate it! Hope you have  
a class as fun as this  
next year!  
Sandy -

Jeri Hopkins

Mr. Youngerman,

It has been a pleasure  
knowing you. I hope  
to be in your Chemistry  
Class next. Hopefully  
next year I'll be better  
at softball, this year  
has been fun.

Love,  
Paula Hobbs

Mr. Y,  
Thank you for being  
such a nice and "fair"  
teacher this year. Although  
I am not an "A" student, you  
reat me just as fairly as if I  
was. I hope you will remember  
me always. I will remember  
you!  
Thank you  
again

# Lions' Pride

Meadowdale High School  
4417 Williamson Drive  
Dayton, Ohio 45416  
Volume 21

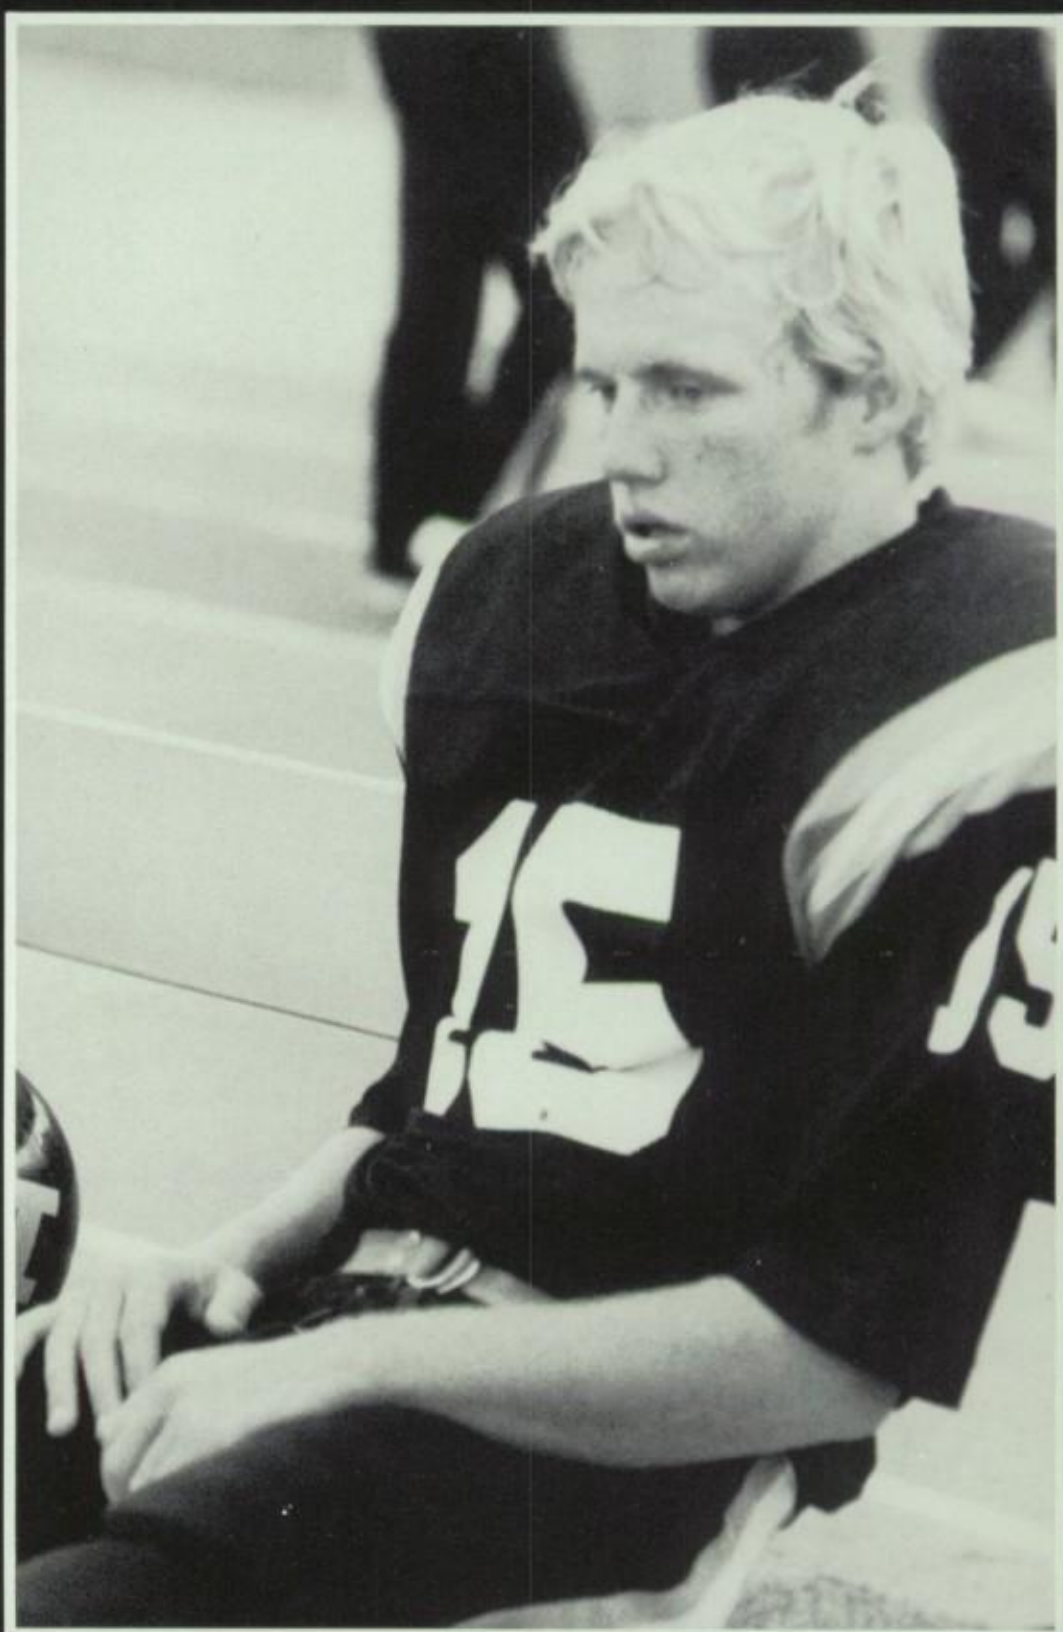

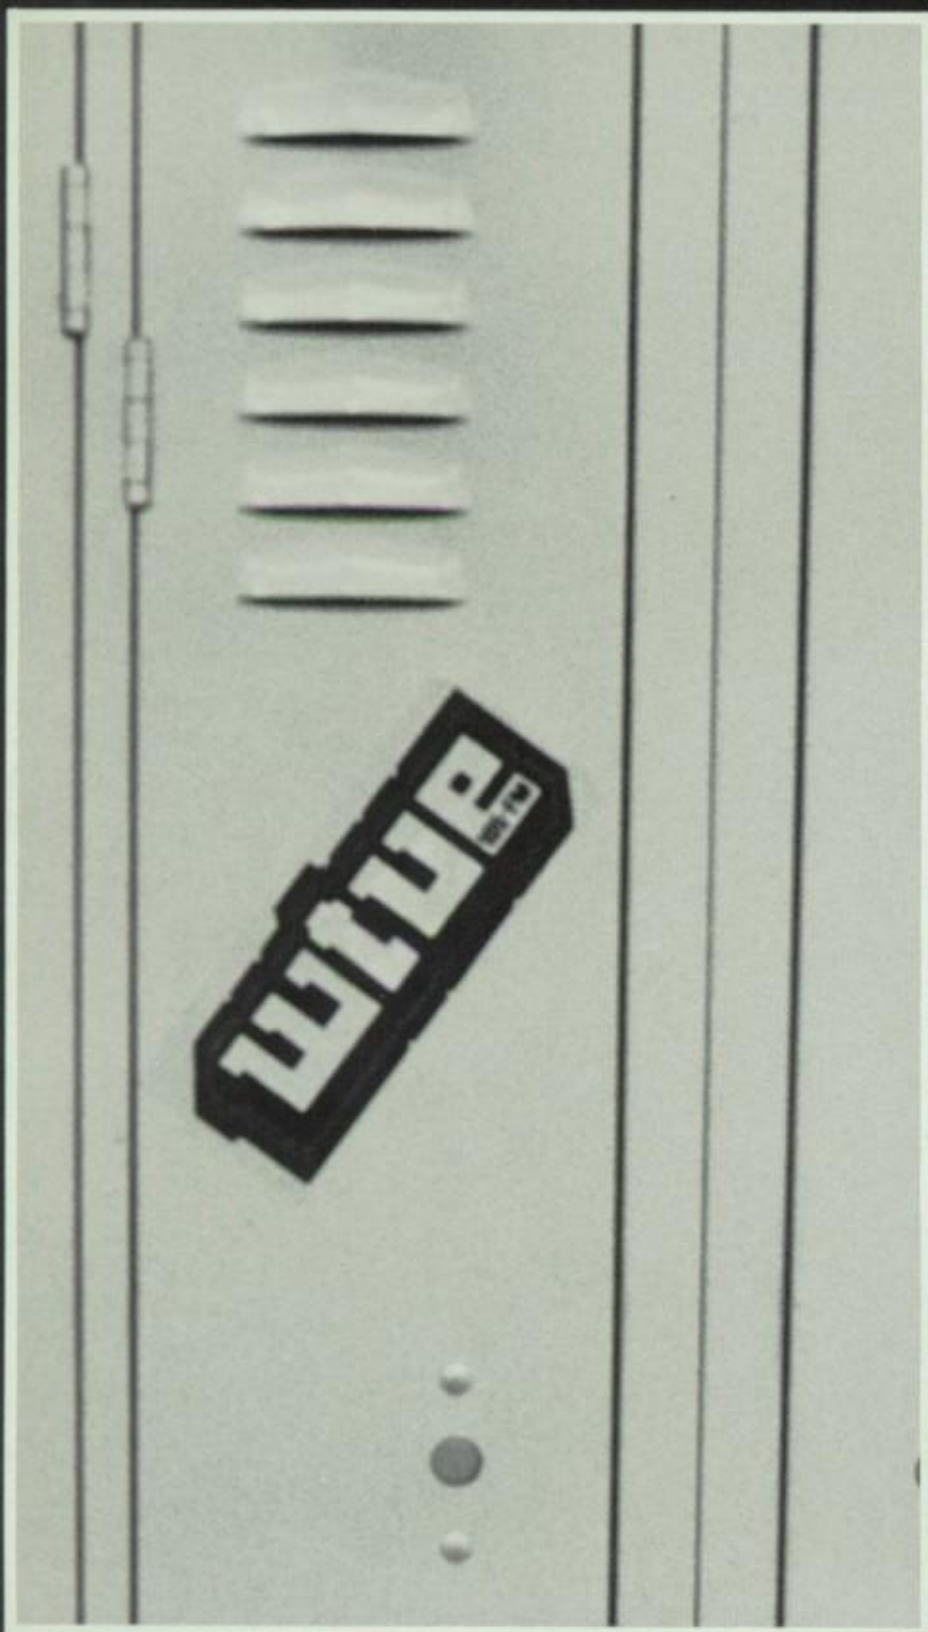

I am a part  
of all that  
I have met.

— Tennyson

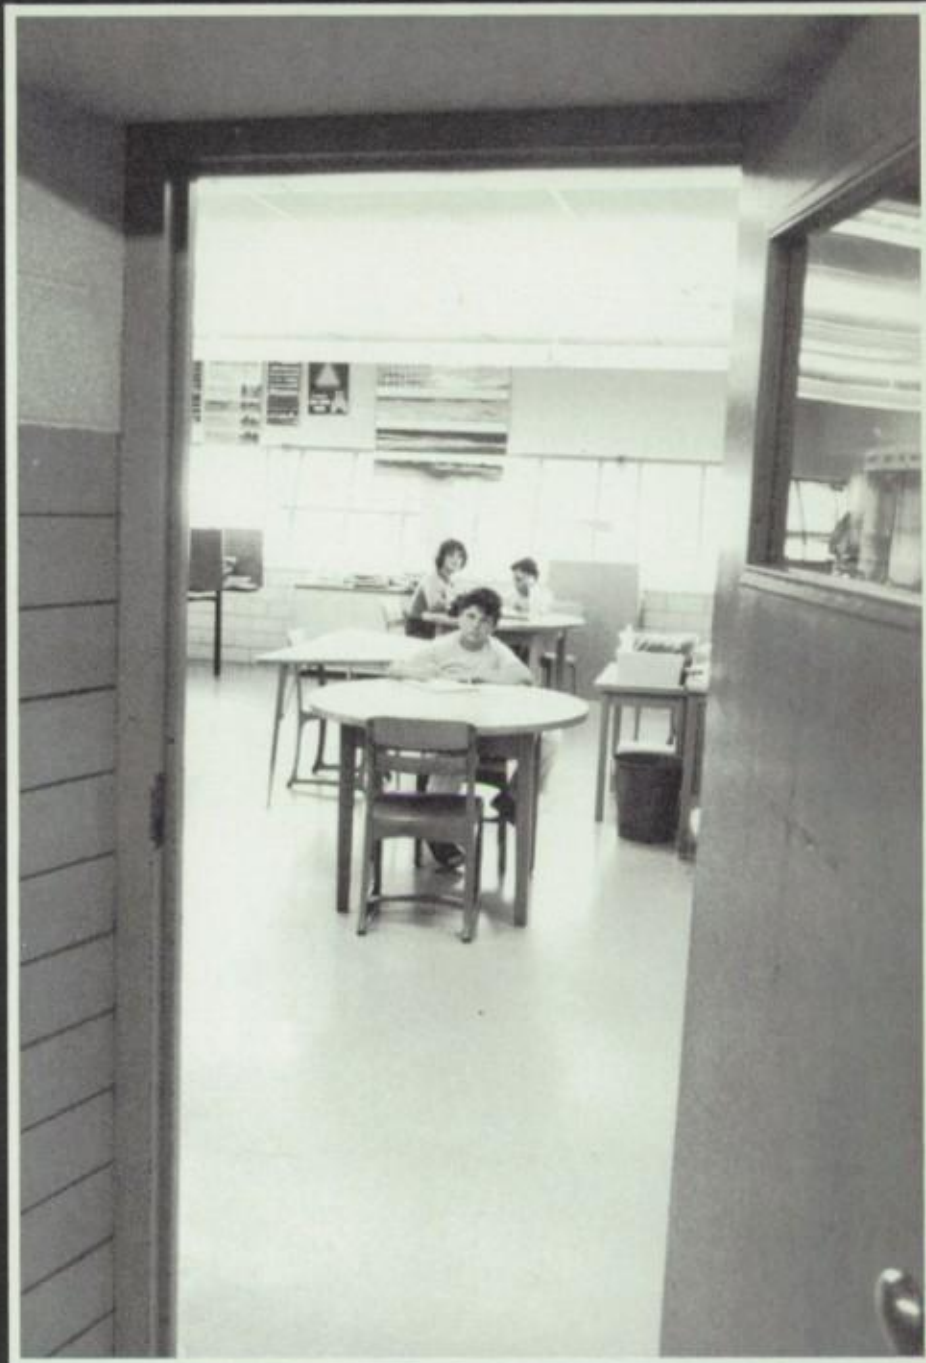

Our years at  
Meadowdale are  
years of  
personal growth  
unparalleled by  
any other  
period in our  
lifetime.

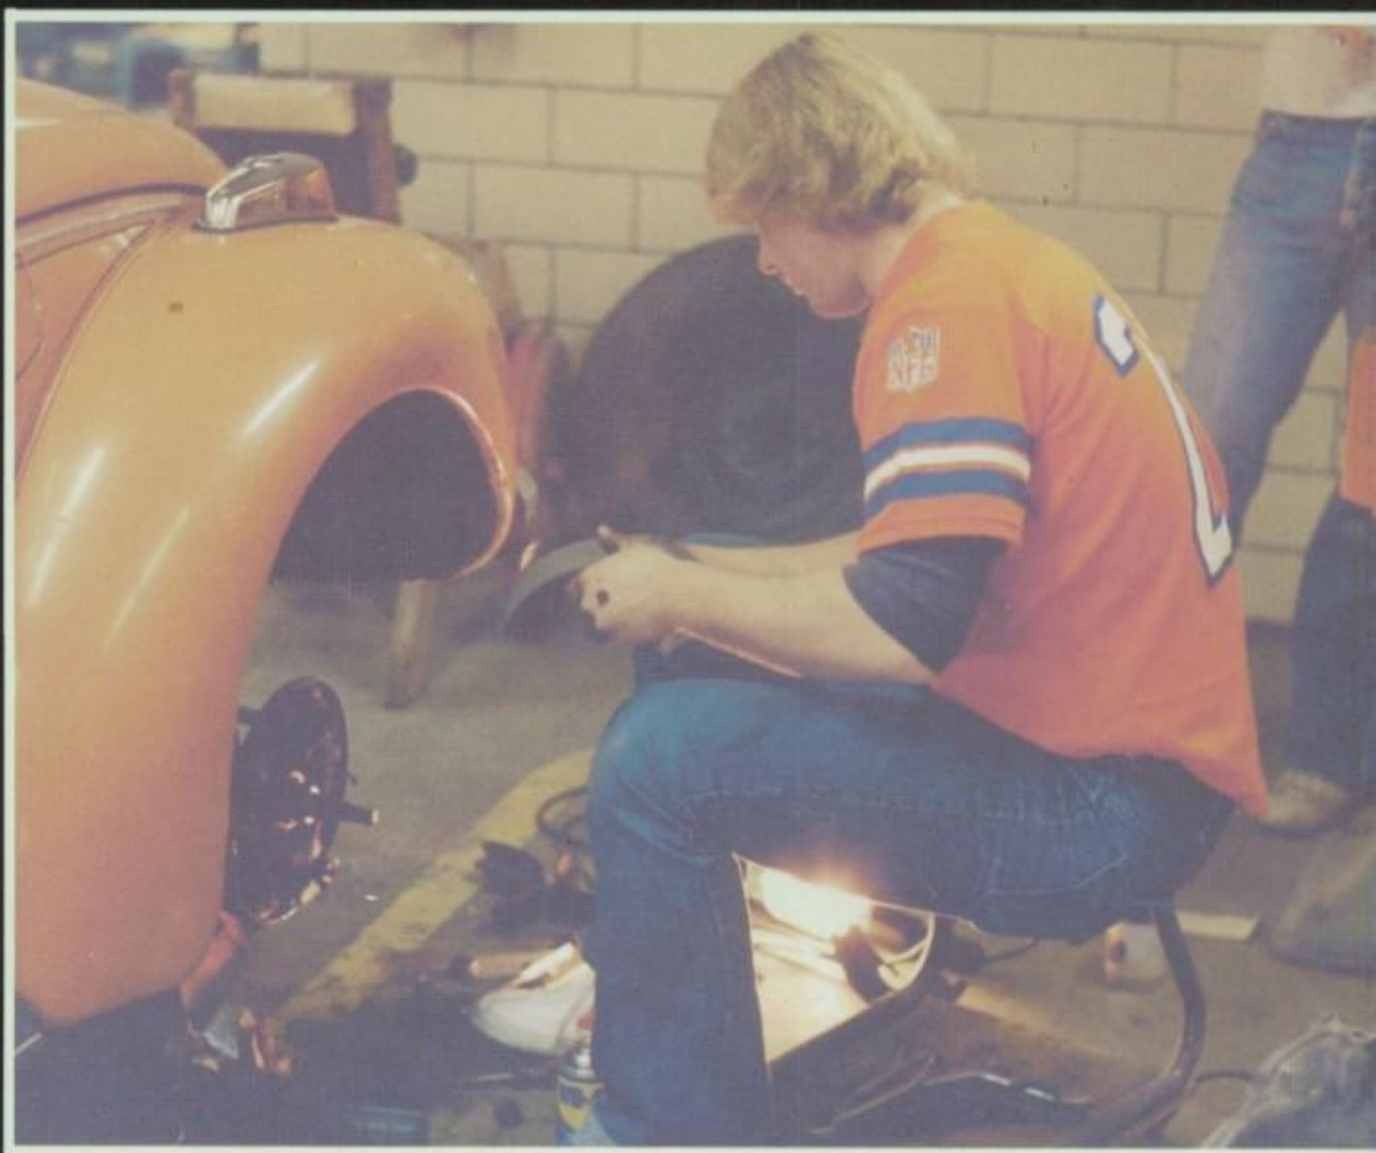

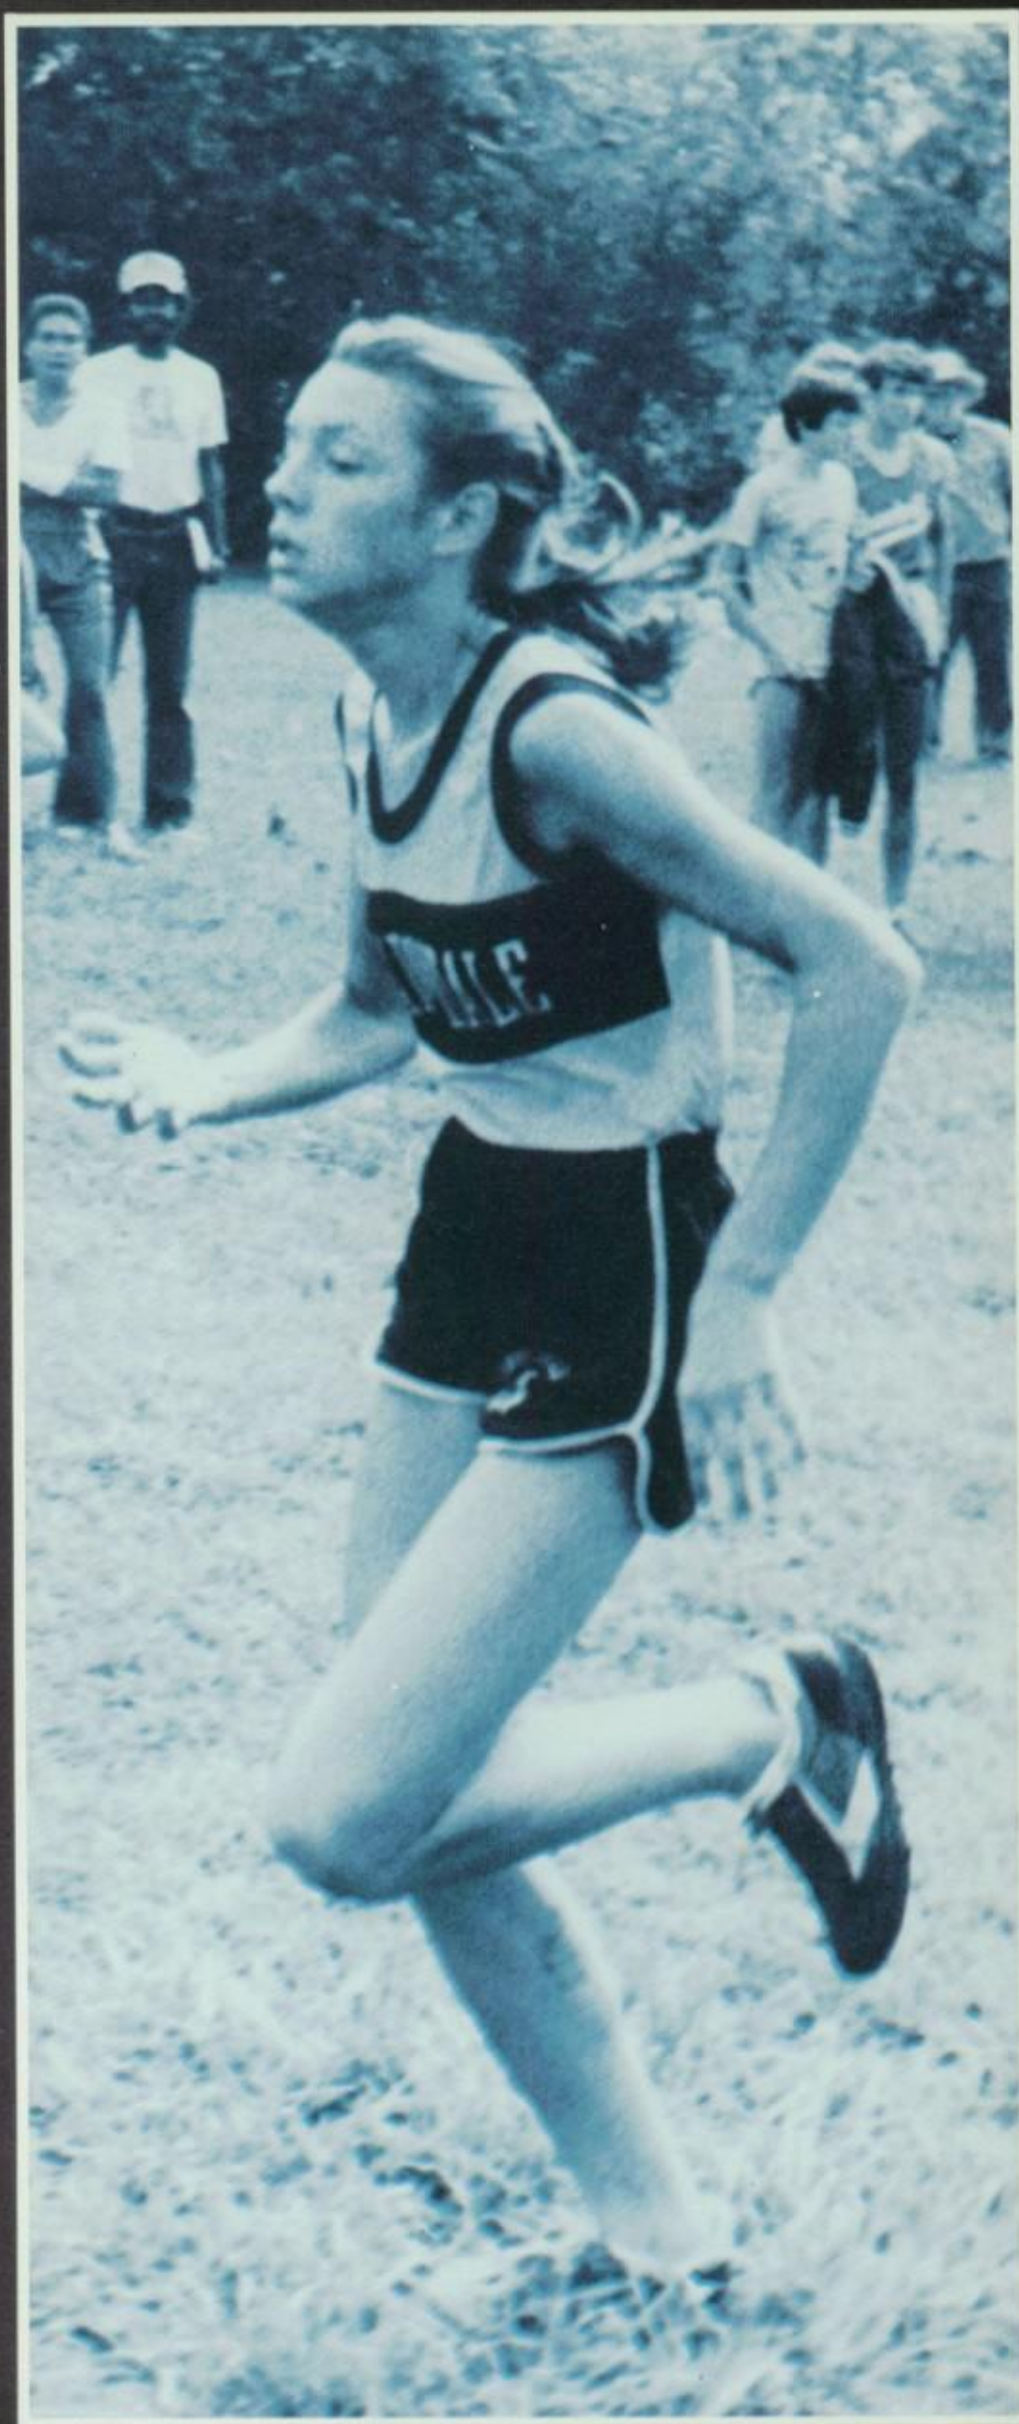

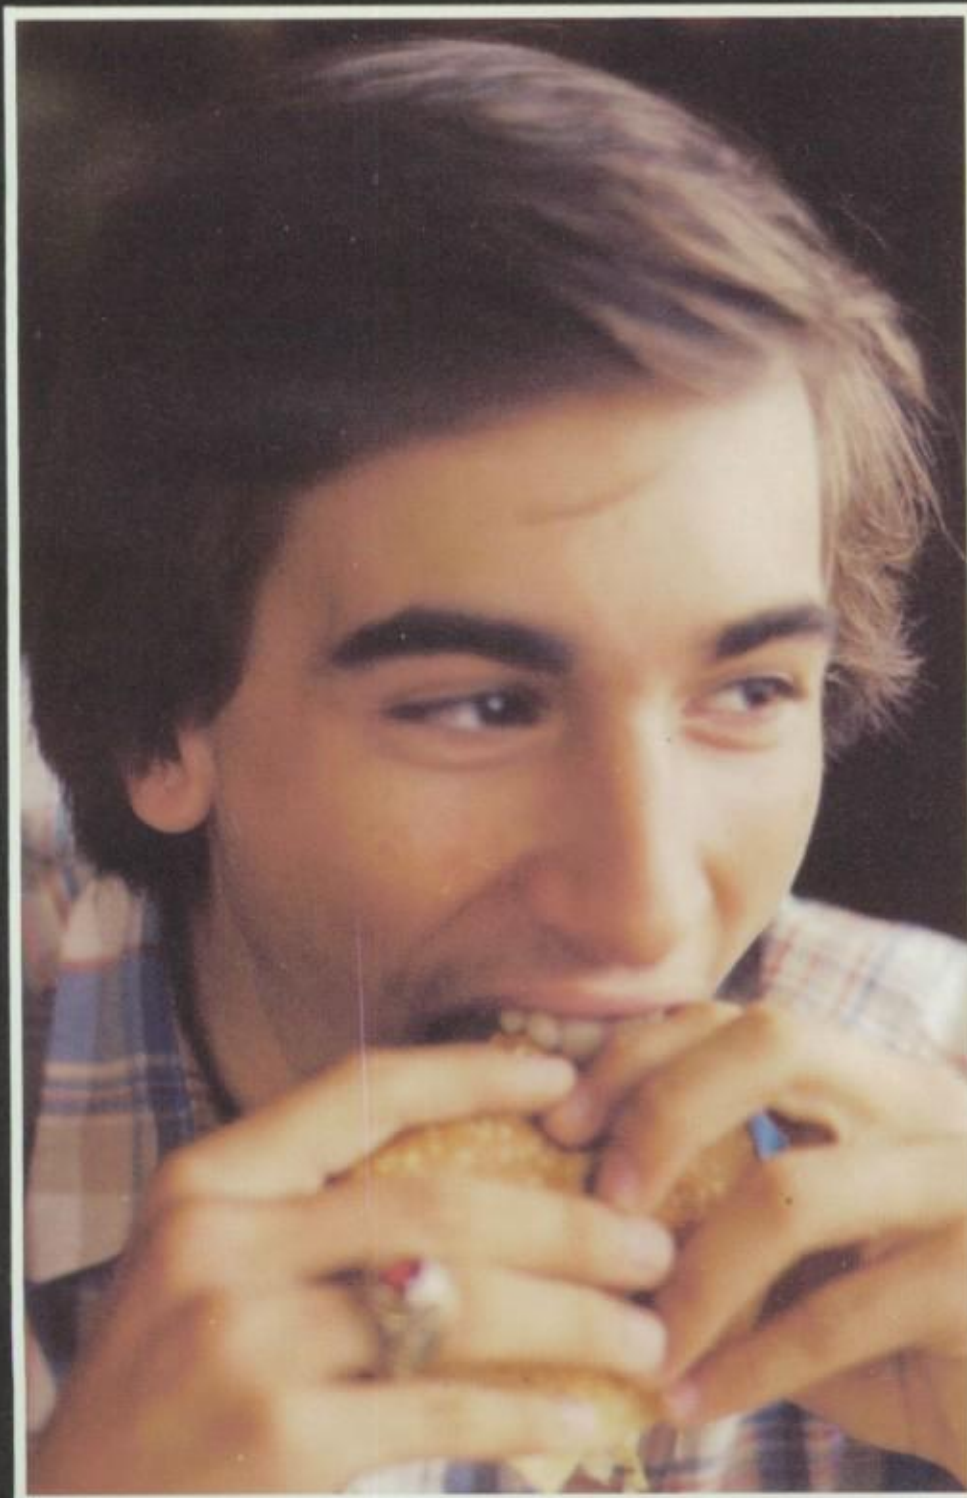

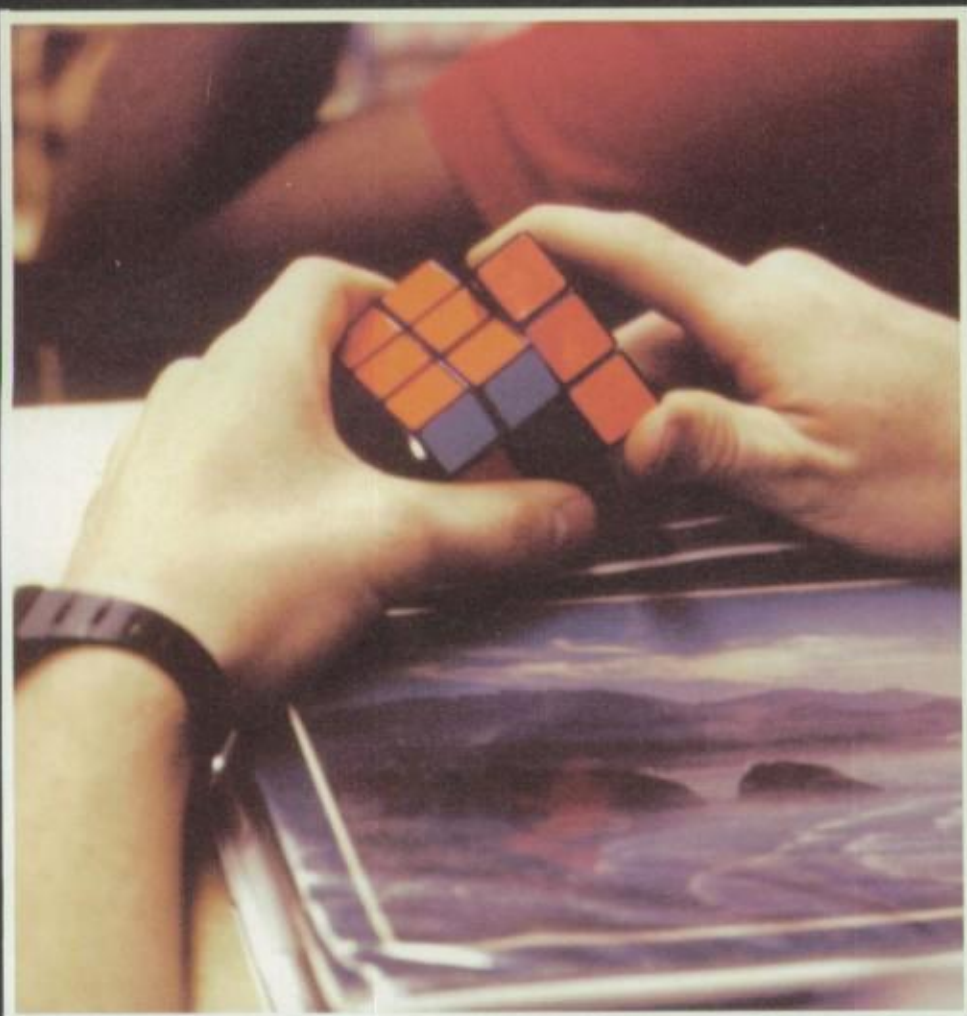

Entering the doors  
of MHS for the  
first time, we  
suddenly feel we are  
more than children,  
eager to accept  
the challenges of  
high school.

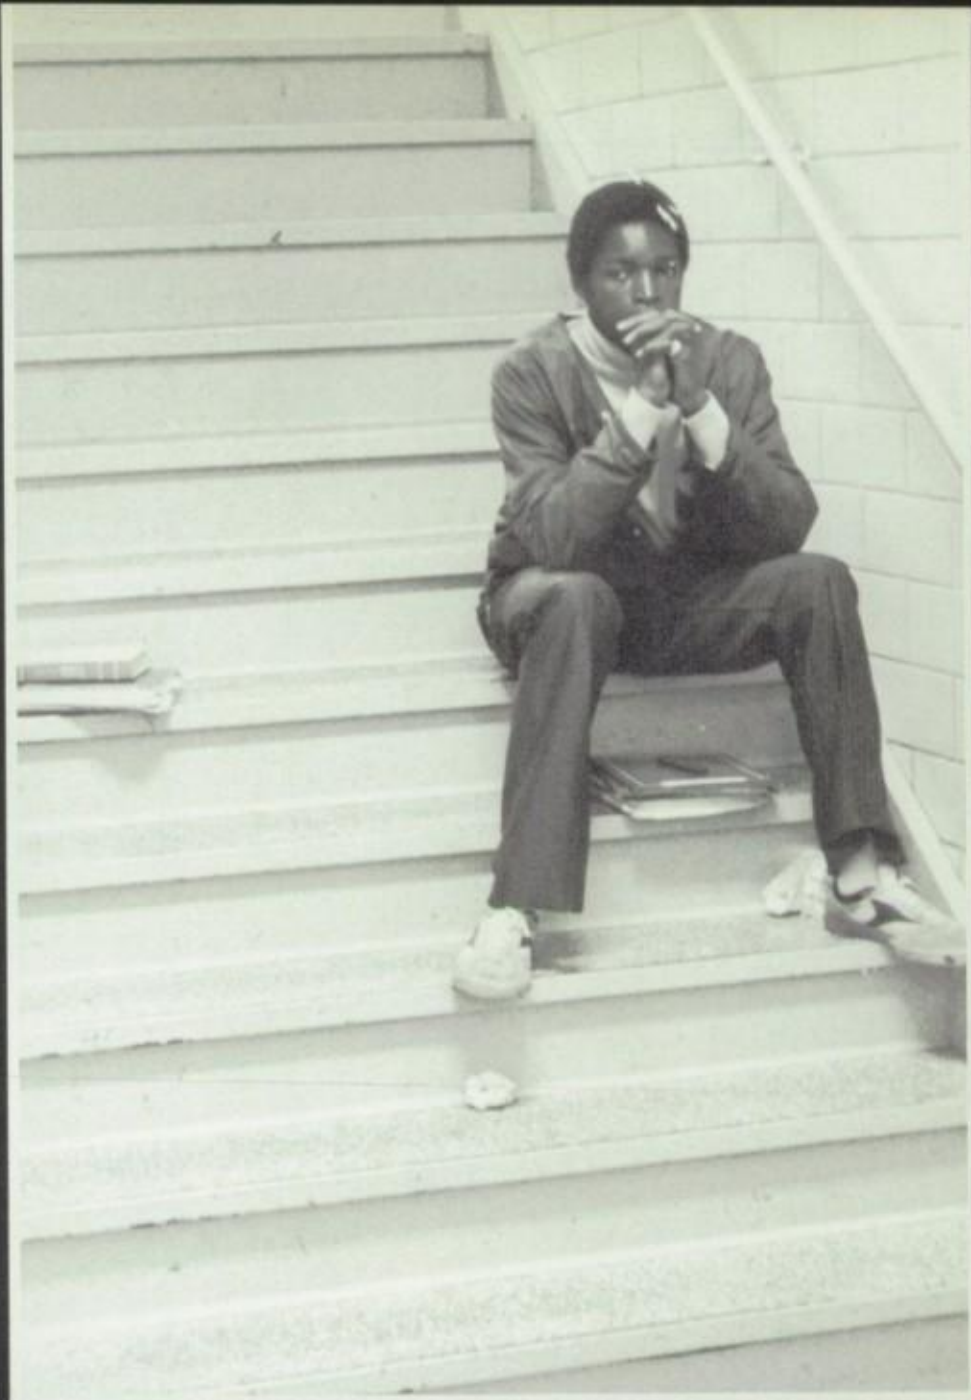

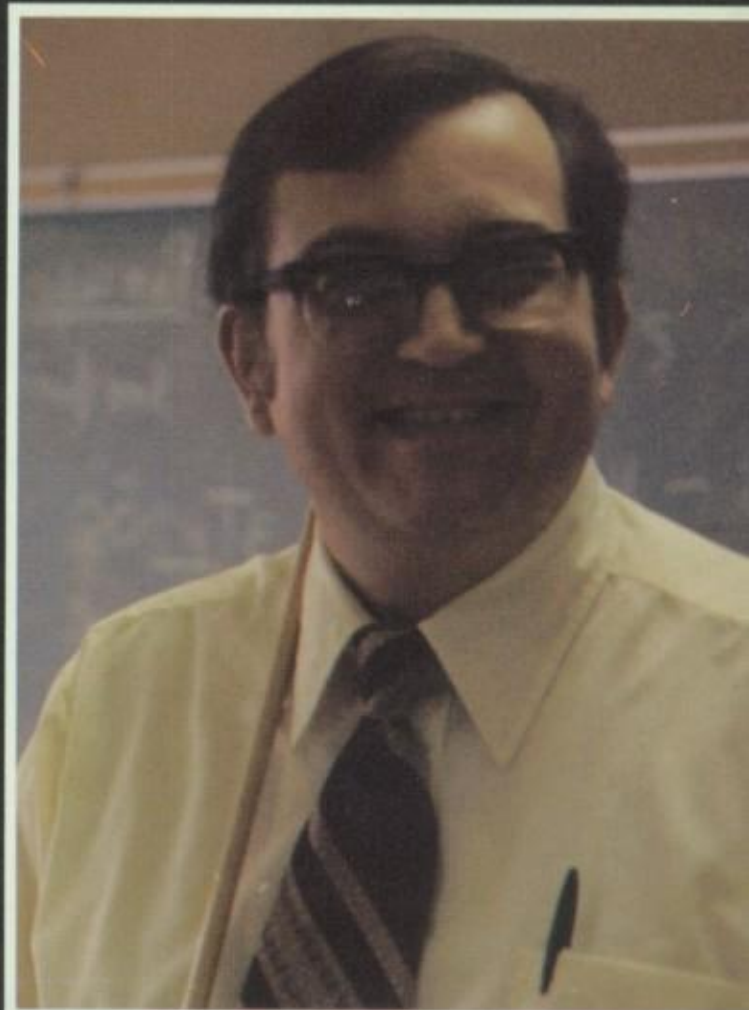

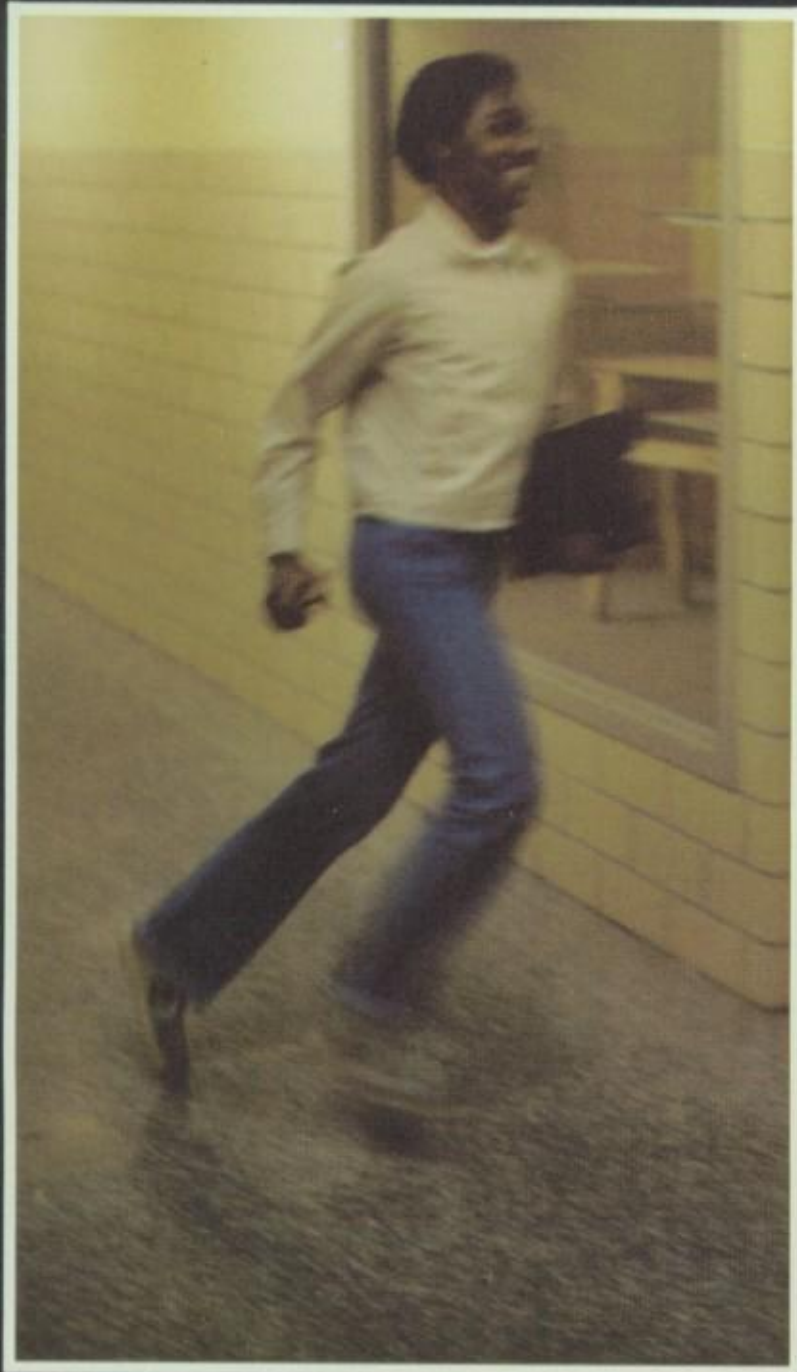

Leaving as graduates,  
we are timid  
young adults,  
ready to confront  
the challenges  
of life.

The days in between  
are filled  
with learning:  
from teachers,  
from each other,  
but mostly from  
our own failures  
and victories.

High school  
teaches us much more  
than academics:  
the value of  
true friendship,  
the pleasure of  
individuality,  
the rewards of both.

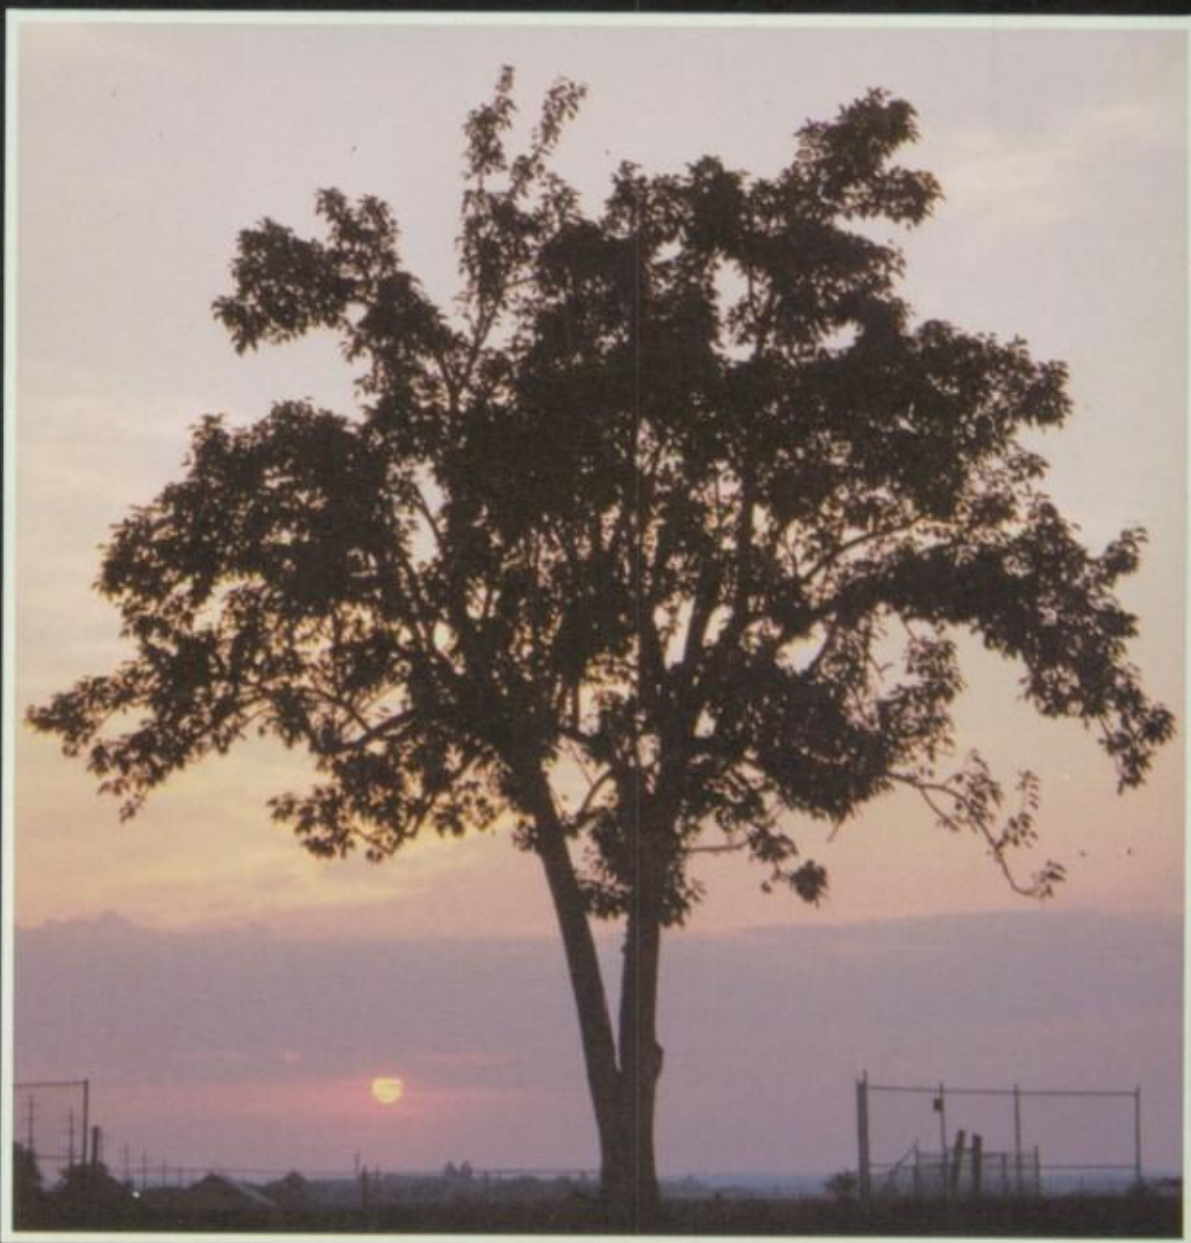

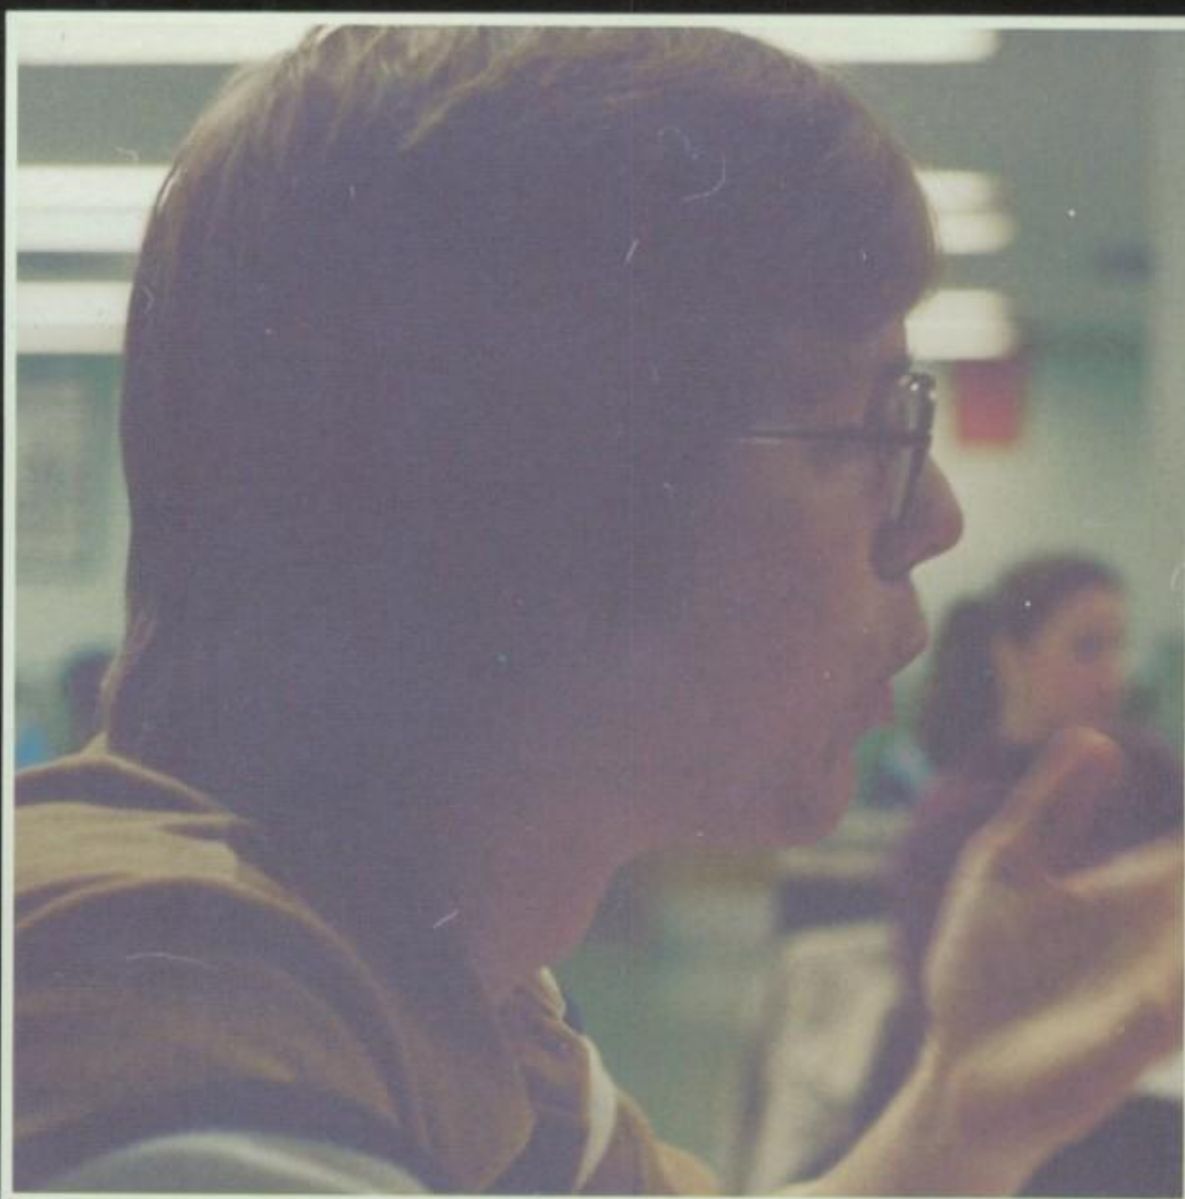

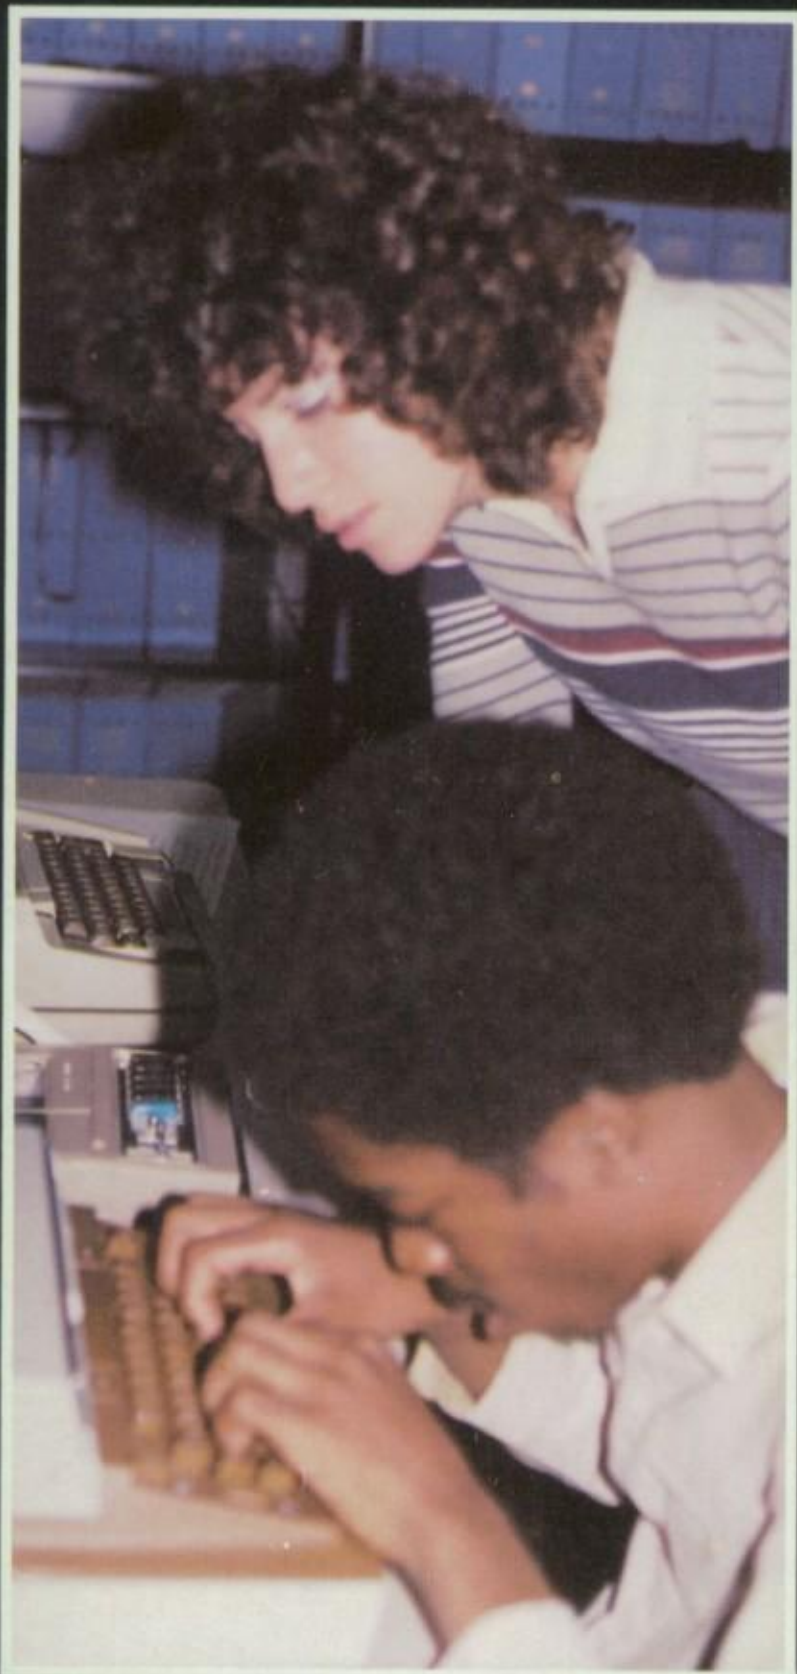

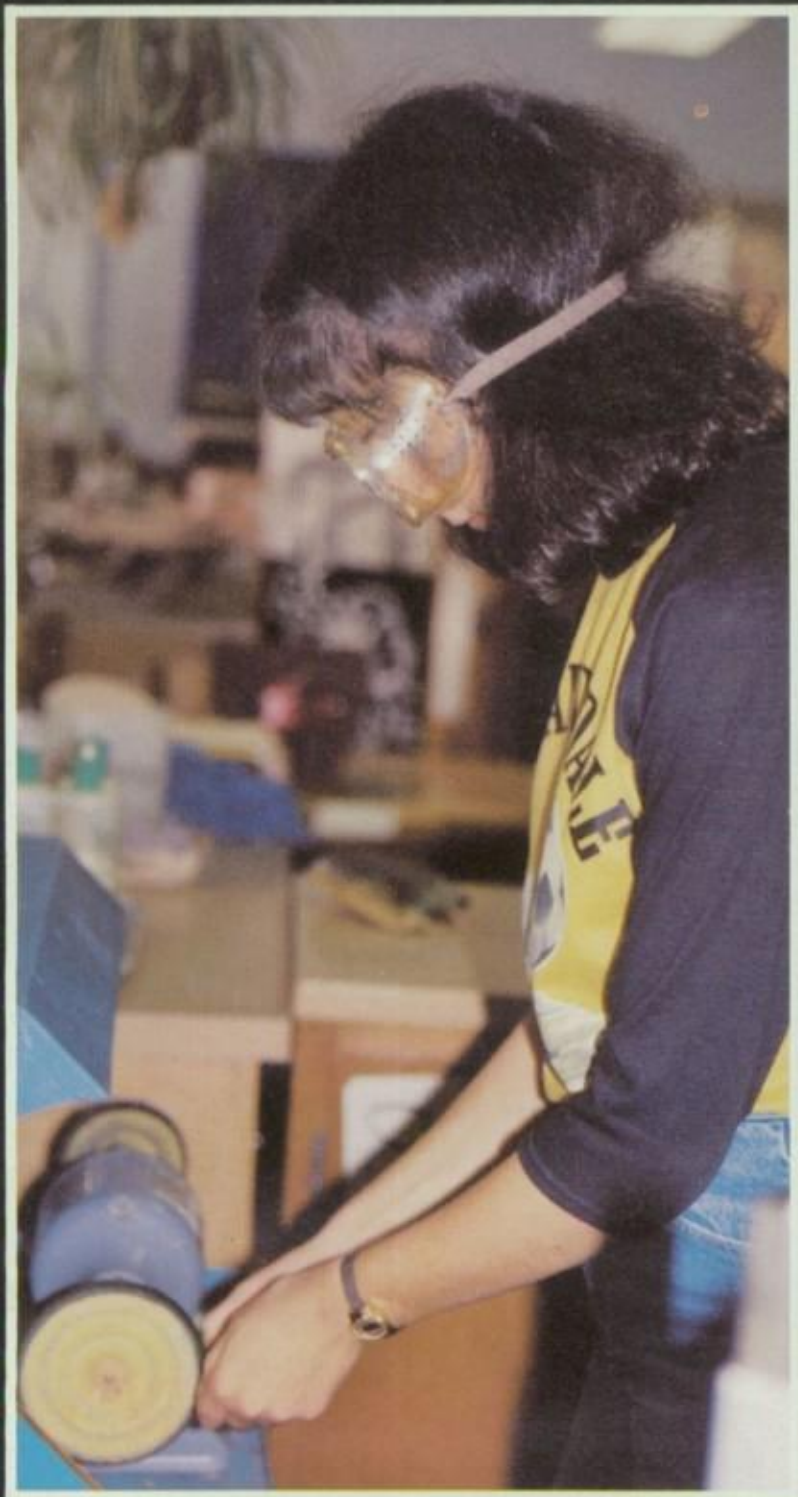

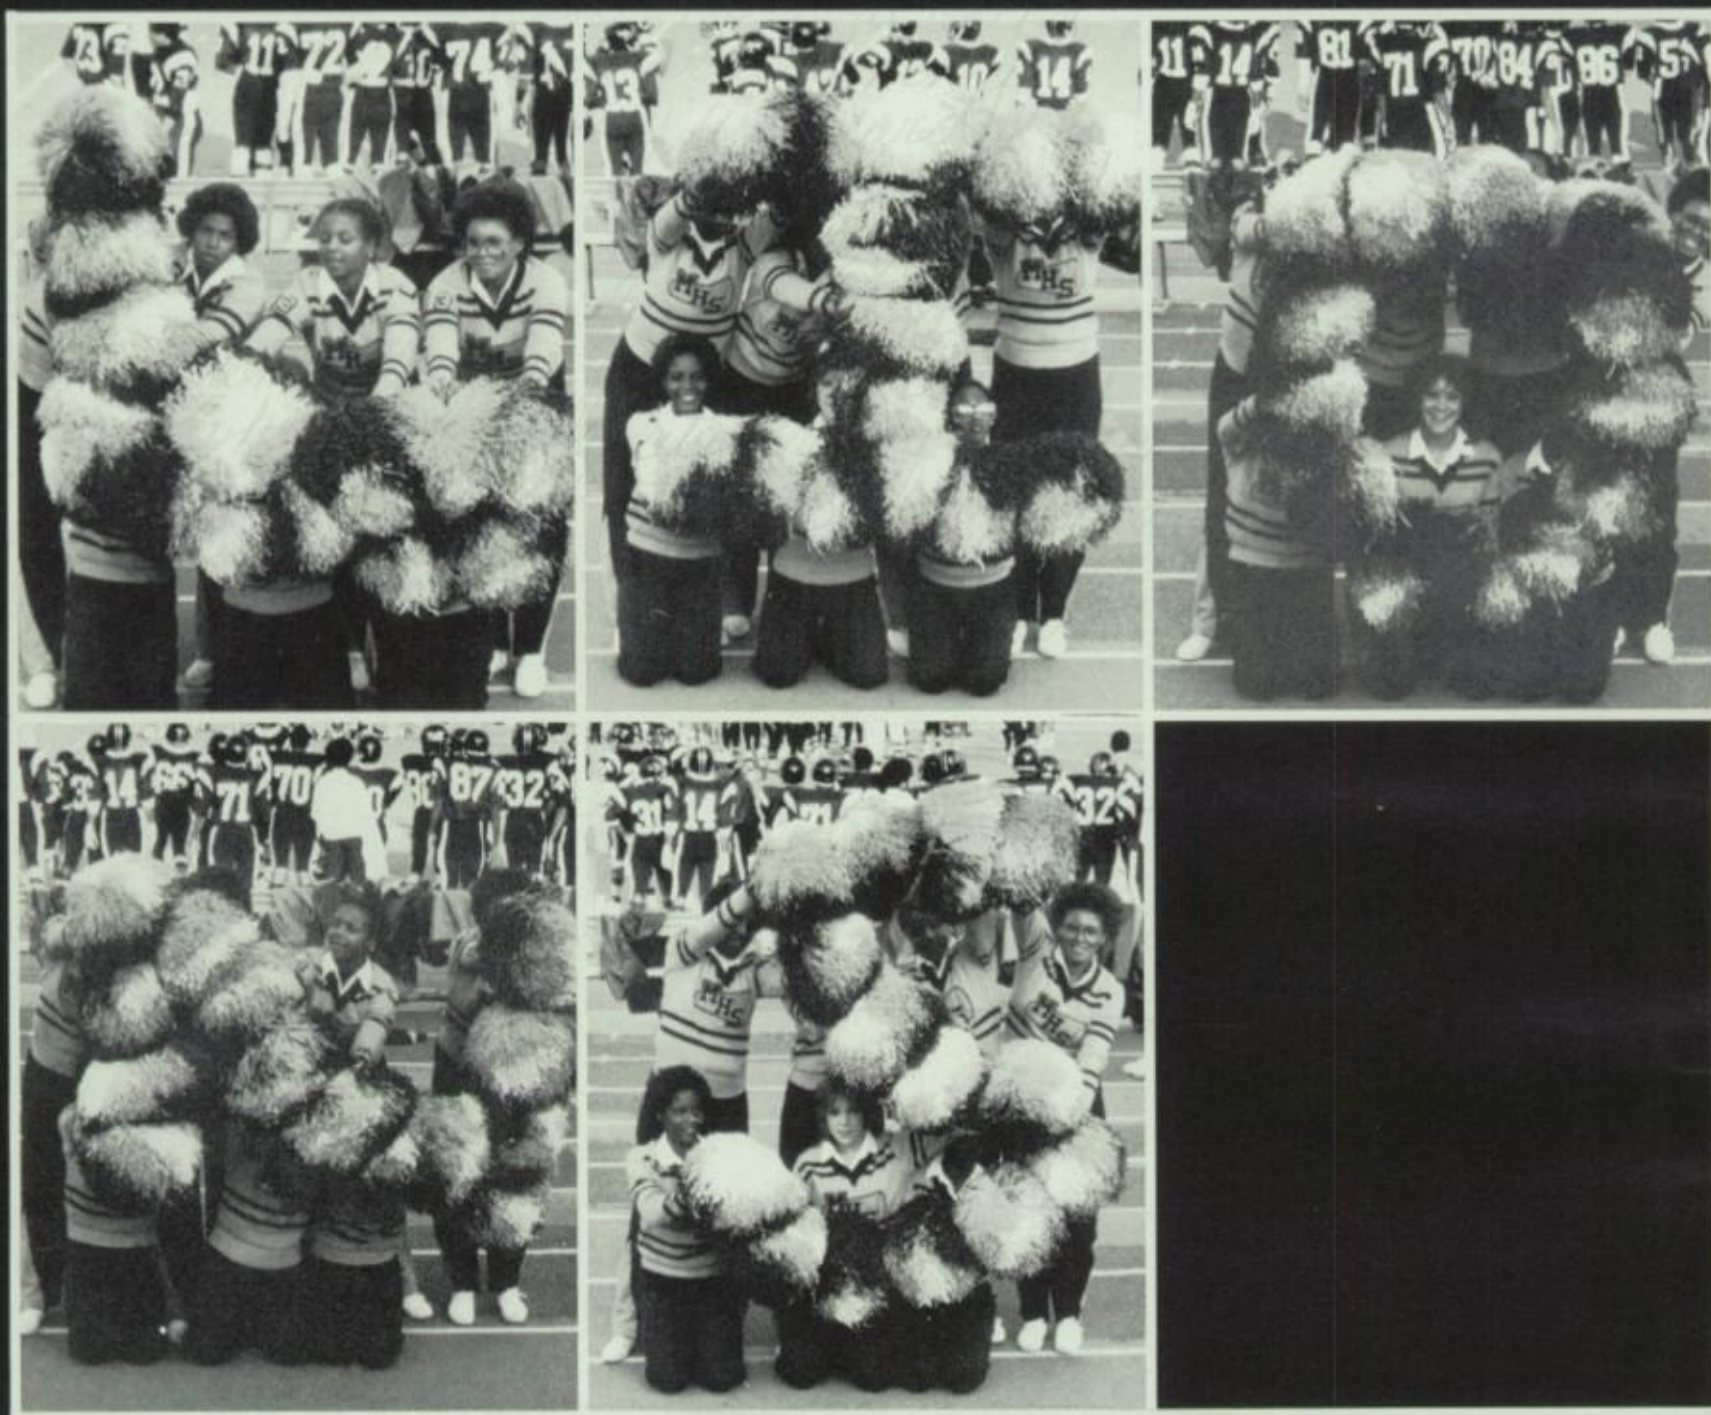

My life is one  
of inner journey  
towards myself  
with others.

Mr. Y-

You are a superior Bio and Chem teacher,  
pool manager, and all around honey!  
I've really enjoyed my two years of  
labor<sup>haha</sup> in your class, and I've enjoyed  
our friendship even more. I hope  
to have you for a teacher again  
next year - you're probably the only  
person who can tolerate all my questions  
and puzzled faces. Thanks for all the  
help and patience, and especially for  
teaching me that.

They can do all,  
because  
they think  
they can.

It's the attitude that you've  
helped me to adapt, and it will  
be of great help when the going  
gets tough. Thanks again!  
Take much care, and see you  
around (I hope.) this summer.  
(You're such a cutie :))

Love Always,  
Aida B.

Mr. Youngerman,

Even though you give me alot of B.S. all the times,  
I guess your a pretty nice guy. What would  
you do without me to give you heartburn every  
morning. I try not to, but we all can't be perfect.  
Im sure I'll see you at  
the pool this summer.

The Mighty Lions Football season began with high expectations and goals. Ending the season with a winning 6-4 record, their fighting spirit and determination saw them through the toughest season in the school's history. Their losses were to teams with a combined

record of 36-4, including two state playoff teams.

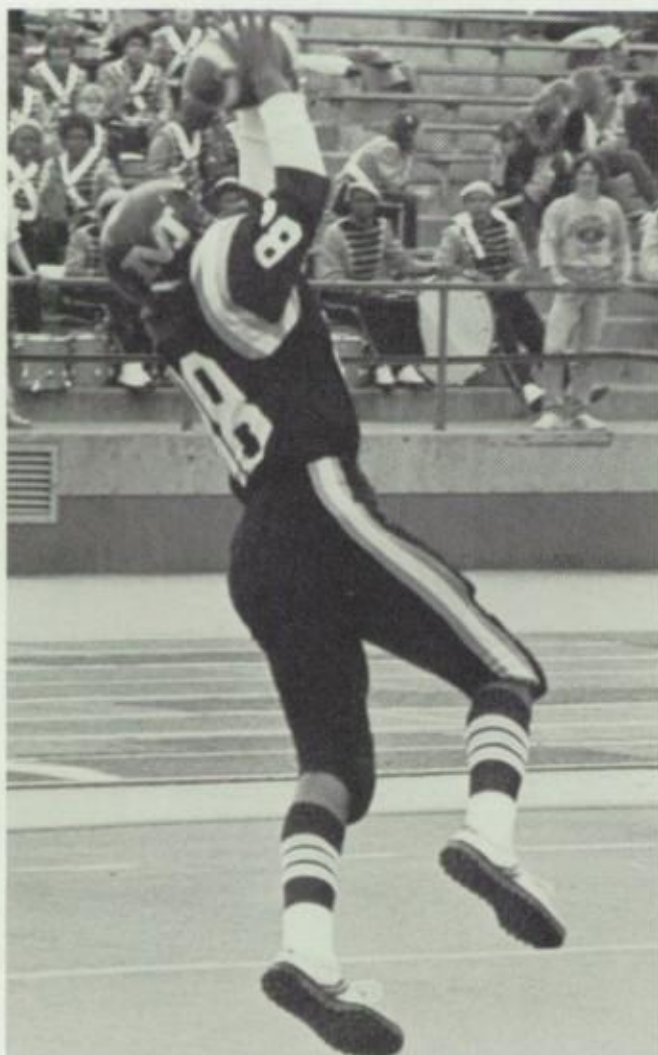

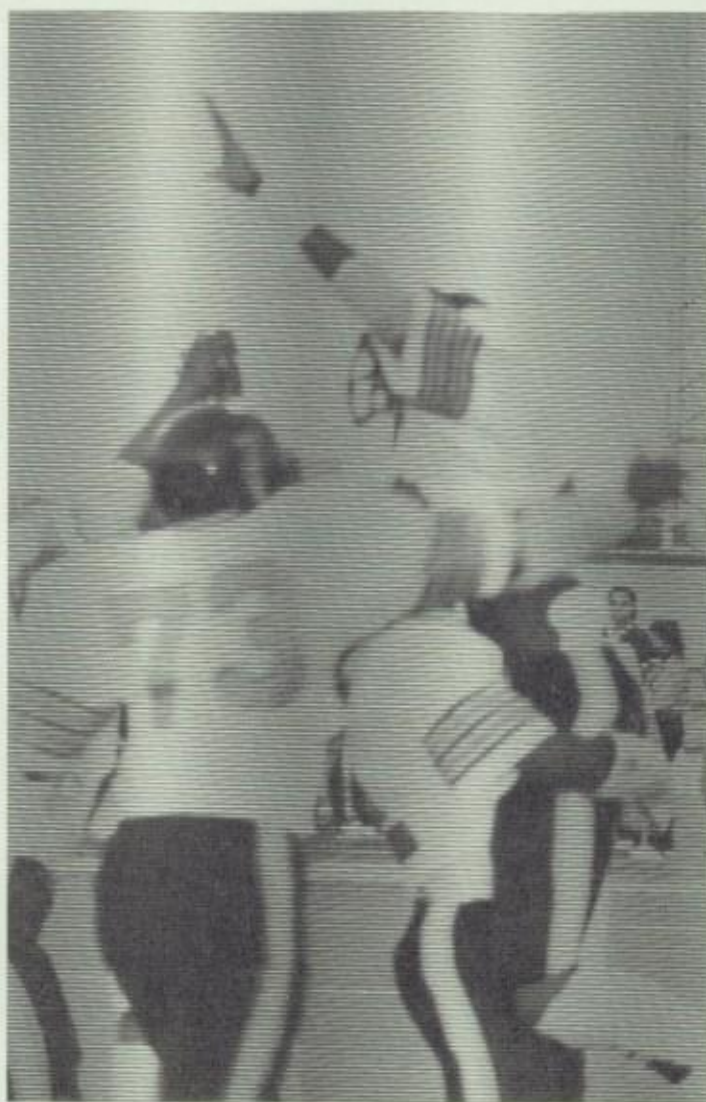

The most outstanding performance of the year was shown at the Roth game, in which both teams were tied for the City Championship. Each team played extremely well, allowing chances for both teams to win, until late in the 4th quarter

when Roth pulled ahead 19-14.

With outstanding performances from the well-represented seniors and hopeful talent of juniors and sophomores, the Lions concluded their season with two victories against Dunbar and Colonel White.

Mr. Youngerman, I decided to sign on this page because  
very much for remembering your fudge  
real sweetheart, I'll never forget the

That's me!

This past summer the Varsity Cheerleaders attended U.S.C.A. cheerleading camp at Ohio State University. There were 20 squads throughout the State of Ohio that attended this camp session. They started off the day bright and early exercising and learning new cheers and mounts. Also during the day they worked on perfecting their own cheers for competition at night. There were three nights of competition. The first night, they received two First place ribbons, the second night they received two First place ribbons and a ribbon for their pompon routine, on the third and final night they won

two First place ribbons and a First place plaque for their overall performance. In addition, Rhonda Lowe won First place while Jodi Feinhor won Third place in individual competition. Before leaving for camp they practiced 2 hours every day for three straight weeks. Their effort and determination were evident when honored with First place in the First Annual Greater Dayton Cheerleading Competition held at Roosevelt center on Jan. 9, 1982. They really worked hard to keep up that victorious Lion Spirit!

# Wrestling Reserve Freshmen

Mr. Youngerman,

You're a real sweetie and I enjoyed being in your Biology class (even though I didn't like the work). I hope I'll be in your class for chemistry next year. I know you'll give me a passing grade. Stay Sweet.  
Love,  
Angie 😊

The Wrestling Squad consists of Rachel McPheters — Capt., Tandra Smith — Co-Capt., Paula Hammond, Jackie Ruffin.  
The Reserve Squad: Karmen Mack — Capt., Amy Bernstein — Co-Capt., Amy Murstein, Cheryl McCullough, Amye Reid, Veronica Ogletree.  
The Freshman Squad: Joyce Fried — Capt., Geraldine Conway — Co-Capt., Chryssa Nicholas, Tracy Wall, Angie Oakes, Anne Starbuck.

Senior: Tony Schneck

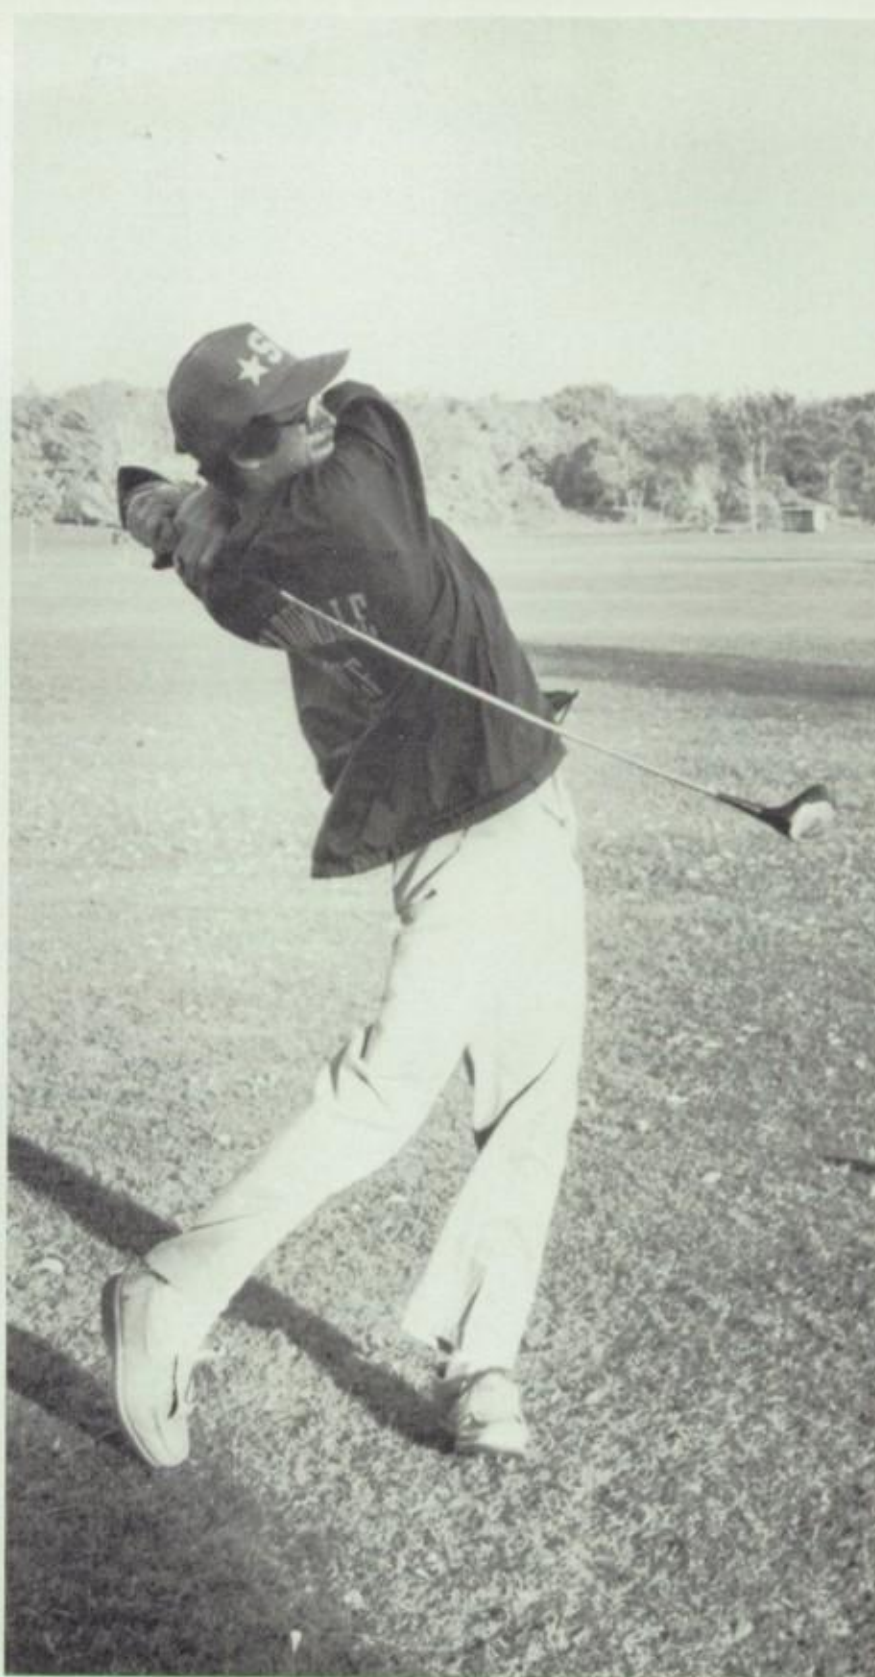

Team: Coach Boal, Scott Haley, Richard Wagenfeld, Elliot Berman, Steve Sachs.

The 1981 golf team had another successful season taking first place in the city championship. Their final record was 11 wins, 7 losses. Even with the loss of senior Tony Schneck the rest of this year's team will be back in 1982 ready to have another winning season.

The mighty Lion Soccer Team has done it once again with an incredible season record of 9-8-1. Playing exceptionally well against the Patterson Panthers, the Lions were victorious with a final score of 3-2, placing them second in the city league.

Co-Capt. Jim Nickolas was honored with First team all area, Co-Capt. Chris Marlowe — Second team all city, Mark Vandevander — First team all city and Dan Izenson — Honorable mention all city.

This is the second year for the re-

serve team. It was a successful season with a second place win in the West Carrollton Invitational Tournament. The Reserve team play an important role in the soccer program, because of preparation for future varsity players.

VARSITY TEAM

The 1981-82 Varsity Basketball team proved to be the dominating team not only in the Dayton Public League, but also in the surrounding areas.

The Mighty Lions, coached by Bernie Hutson, won the Kettering Invitational Tournament for the second time in three years. In addition, they clinched the City Championship by

defeating Belmont. They reached the highest state ranking of any basketball team in M.H.S. history.

Many of the Varsity players will be graduating this year; nevertheless, the Reserve and Freshman teams have the potential to carry on that Mighty Meadowdale tradition.

# Girls' Basketball

SENIORS: Carolyn Pavelka, Captain, Cheryl Evans, and Marilyn Pittman

Though very young, this year's girls' Varsity and Reserve basketball teams have displayed great effort toward improving their teamwork. This effort has resulted in a successful season with an exciting game against Patterson. Coached by Mr. Monroe and Mr. Martin, a few players have earned special honors. Tracy Ellis received 2nd Team All City; Carolyn Pavelka and Lisa Jackson received Special Mention recognition. The outstanding records produced by both teams give much encouragement both to the coaches and the future teams.

# HOMECOMING

Friday, October 2, the excitement of Homecoming '81 began with a spirited pep rally, in which the Football players and the Student Council each presented a skit portraying their determination to defeat the Fairview Bulldogs.

That evening their spirit turned to victory as the Lions defeated Fairview in both Tug-of-War and Football. During the brisk half time the newly crowned Homecoming Court was honored.

The following evening, October 3, the theme "Just to Be Close to You" set a romantic mood, as couples danced in a "French cafe" to the music of D.J., Mike Schockley.

# The marching band

To prepare for a year of marching and performing, the band started off with a week at band camp in late August. The band provided the fans with half-time entertainment at every M.H.S. football game. They also participated in the Tipp City Marching Band Festival, and Mum Festival, and at the Chaminade-Julienne Invitational. Beth Kincaid was this year's Drum Major with Dean Moulas as band president. The band was directed by Mr. Croom.

Mr. Youngman,  
 I'd like to tell you this but I might be in one  
 of your classes next year (Adv. Biology). I think you are  
 wonderful, crazy teacher, and you make learning  
 chem. a little more fun. I hope everything you ever  
 wished and dreamed comes true.

Love Always,  
 Ellen Dotz

Richard (Mr. Bangermer)  
 This year has been a  
 real privilege to be a student  
 in your chemistry class. I have  
 heard so much about you from  
 my brother. I'm glad to have you for  
 my teacher. I hope I didn't  
 let on your nerves too  
 much. This year, I have tried  
 to be just a sick person. And  
 will make up my work soon. I also have  
 other classes to make up.

# Lionettes

As well as performing at every football game  
 and several home basketball games, this year's  
 Lionettes also spread their talent in many other  
 events. They competed at the Trotwood High  
 School Invitational and the Valleyview Invitational  
 and marched in the Holiday at Home Parade, the  
 Children's Parade, and the Wilberforce  
 Homecoming Parade. They also entertained at

the dedication ceremony of the General Moto  
 diesel engine plant, the Tipp City Mum Festival  
 and the Oregon District Home Tour. The Tro  
 wood High School Drill Team Clinic earned in  
 dividual awards for Christina Quinn and Jack  
 Wright. The 1981-82 Lionettes were advised  
 Mrs. Hillman.

# Flag Corps

The 1981-82 flag corps was led by Helen Collins, captain, and Vicki Anderson, co-captain. After attending band camp, this year's squad participated in All American Flag Corps/Drill Team Camp. There they were awarded outstanding ribbons for two performances, a trophy in competition, and the award for most improved flag corps. The squad arrived at camp with no previous experience working together, yet, as the year progressed, both the old and new members grew together as a hard-working and successful flag corps.

# Majorettes

Debbie Miles — Captain, Tracy Wall

The majorettes worked hard to put on a good show, as a result they had one of their most successful years ever. They started off by spending a week at band camp working from 6:30 to 8:30 every day. This hard work proved rewarding in their receiving honors in many parades and on Band Day. They also, Debbie and Tracy also sported a fine performance at the Montgomery County Fair.

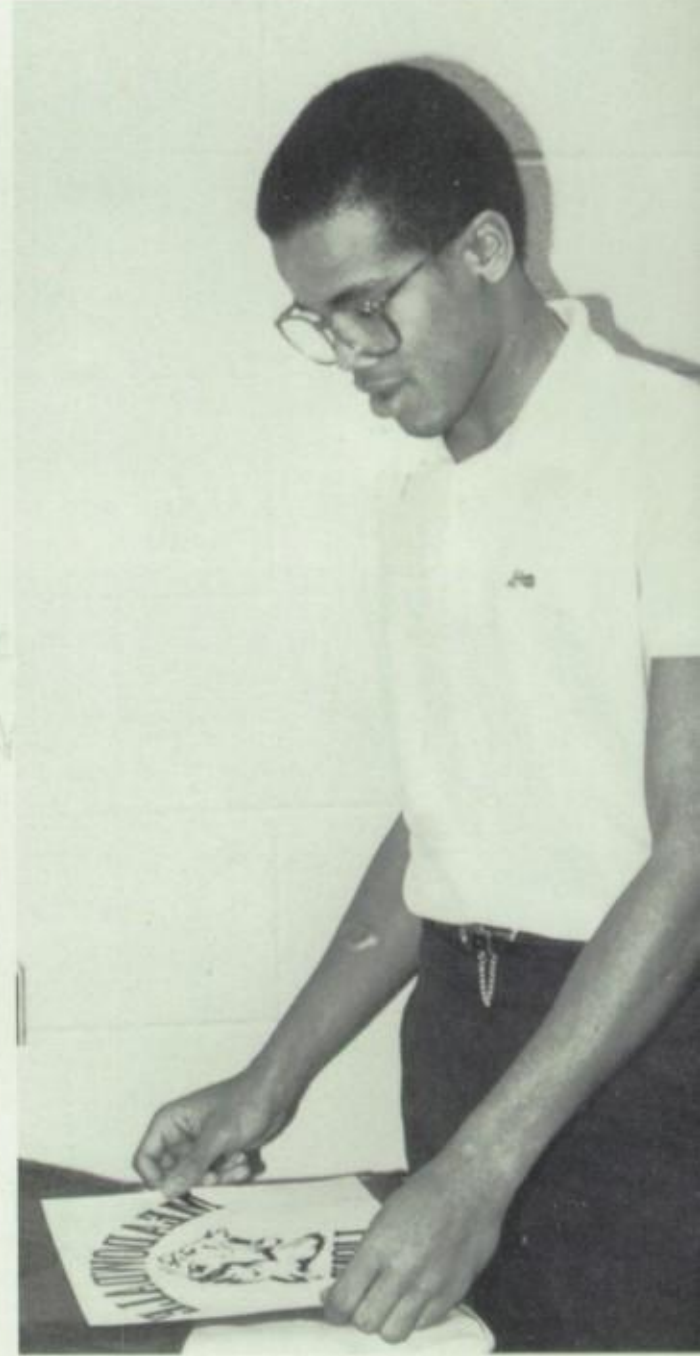

# Distributive Education

Mr. Gorkis' Seniors

This year's shall sweep slowed down business for the Lions' Shop. However, the Distributive Education class managed to survive by selling specialized tee-shirts to the Athletic Office, Ladies' Pep Club and to the classes during Spirit Week. They also sold Candy-Grams for Christmas and carnations for Valentines Day. The D.E. students spent most of their time this year learning about marketing, merchandising, management, and the fluctuation of sales during an economic slump.

Because of circumstances beyond our control, we are unable to show the Junior D.E. class. We sincerely apologize to these students.

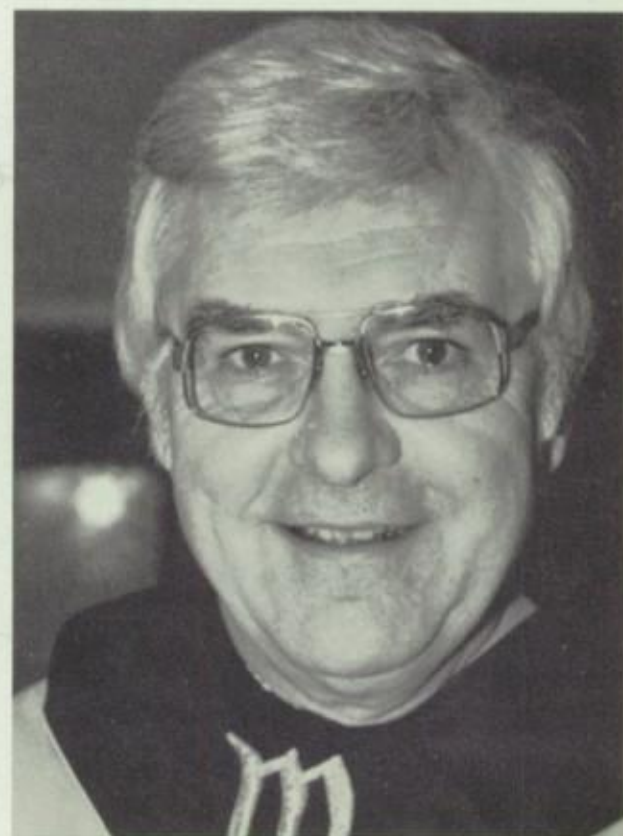

The Meadowdale Players, under the supervision of Miss Combs, the school's drama teacher, is the organization which is responsible for the school plays. They also meet over the they also meet over the weekend various play productions.

As a result of the choirs' and Mr. Heisey's efforts, this year was one of the best here at Meadowdale.

# Magnet and Career Academy

During the 1981-82 school year, many of our students were enrolled in classes at the Dunbar and Roth Magnet Schools and at the newly built Career Academy downtown. Taking subjects ranging from Computer Programming to Urban Studies, the students learned special skills in specific areas of curriculum and a better developed sense of the community and education.

# I.O.E.

## STENO II

Throughout their Junior and Senior years, Steno II girls have donated three hours a day to typing, shorthand, business, English, and Secretarial Office Procedures. The skills obtained in this class will qualify them for a secretarial position.

The I.O.E. course not only emphasizes the importance of gaining secretarial skills, but also stresses the importance of unity and compatibility among co-workers. Through birthday parties, secret pals, candy sales, field trips, and the class scrap book, the girls share experiences on a personal level as well as a professional one.

This class will conclude the Steno I.O.E. program which has been offered at Meadowdale since 1968. The girls are especially thankful to Mrs. Fortune and Mrs. Rhoden who have headed the program since the early seventies.

#### CLERICAL I AND II

Clerical girls spend three hours a day perfecting their skills in advanced typing, business math, accounting, filing, and business machines. These skills prepare the girls to maintain a job in the business profession.

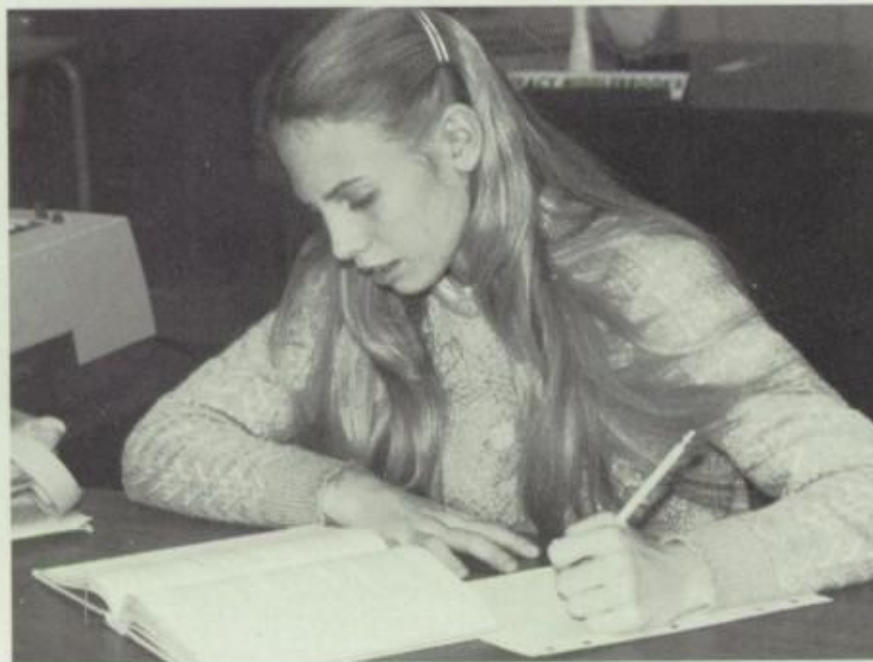

The I.O.E. girls' interests and accomplishments are present in their secretarial course, as well as in the many extracurricular activities that the girls participate in, such as cheerleading, Lionettes, majorettes, basketball, and class offices.

# Pep Club

The 1981-82 Pep Club has a lot to be spirited about. At this year's basketball games, the club cheers on the players to their victory. Although not many members are present in the picture, they are well represented with their gold t-shirts.

# Student Council

Under the supervision of Mrs. Stover, the Student Council organizes many school activities such as Homecoming, the annual tug-of-war against Fairview, Spirit Week, and class elections. Points for Spirit Week collected from the canned food drive, organized by the Student Council, held to provide food for the Hunger Coalition.

Mr. Youngerman,

Chemistry was actually rather interesting (surprise!) I guess it was the teacher and the rumors I heard really aren't true. How are ever going to be able to forget me, since I was here everyday on time and all. Good luck w/ your future classes. You are definitely a real sweetheart. Take care.

Love  
Jisa Zugert, 83"

Mr. Youngerman,  
I must say it was actually fun learning chemistry twice over. I learned more & it was nice understanding things the first time. Hopefully it will help me next yr. at college. Don't be surprised if I come back for help. Remember I'm only 1 1/2 hrs away. I hope I was of some help even though I was never good at lab. Have no fear - the Frid tradition lives on... my sister will have you next yr. Be nice!

Take care and good luck next year.

Love,  
Lana Frid

# Mr. Youngerman faculty

You are one of the sweetest and most understanding persons I know. (You notice I said person & not teacher) Actually I really think of you as a very intelligent friend. You have that special knack of teaching students how to smile along with helping them find and exercise the best in themselves. Please, don't ever lose that special quality. It makes you a truly unique individual!

Best Wishes

Love Always,

Always remember me  
the one Chemistry  
student shorter than you!

Mr. Youngerman, you are a very funny person and (I guess, Ha, Ha) a very good teacher. You have always been my favorite teacher, even when you get mad at me. I just remember that you will always love me anyway, right? Ha, Ha. I am so happy I got the guts up to take Chemistry. I have really learned a lot, both in the subject and in me. I learned to build my confidence and what with you help. I like Chemistry even though I am struggling. I do try hard, and I just get frustrated when I do bad. I am also happy to be your aide. It is fun, and I love to help you as I do. What will you do without me next year? I hope my professors next year are as nice and understanding as you. I will be sure to come back and visit, so don't be too upset! Ha, Ha. Thanks for everything. Love,

Bio I 6<sup>th</sup> and Chem I 6<sup>th</sup>.  
You got so lucky to have  
me at the end of the day!  
I wish I could have  
stuck with studying more  
but it's so hard when  
no other teachers care. I  
just want you to know  
I did learn a lot even though  
some of the tests may not  
show it. But I do plan  
on getting my act to-  
gether in College I'll  
be studying computer  
science. Thanks for  
being a great teacher  
as well as a great  
friend.

I've really enjoyed  
your classes.

I'll keep in touch

me,

## The Class of 1982

"Drop a pebble in the water,  
And its ripples reach out far;  
And the sunbeams dancing on them  
May reflect them to a star"

As Freshmen, we entered the doors of Meadowdale High School like an insignificant pebble dropped in a pond of unfamiliar faces strange rules, and new expectations. Yet, with the passing of each day, friends were made, clubs were formed and activities began, as the ripples of our achievements reached out and touched others. Now, as seniors, these accomplishments ascend beyond the tiny pond, in a journey to reach the stars of our every dream.

We entered Meadowdale on September 7, 1978, however rather than greeting our teachers in the classroom, our first acquaintance with our teachers occurred outside of the school as we crossed their picket-line. Although the teachers strike added to the confusion of entering freshmen it also aided us, by allowing an extended period for our freshman class to familiarize itself with the building and the other members of our school. Once the teachers returned to the classrooms, we were anxious to begin our year as high school freshmen. This consisted of passing notes in the halls, sharing lockers with friends, and gossiping about seniors, but more importantly, it included class elections — the choosing of our first leaders. President, Joni Charme — Vice President, Robyn Blonstein — Treasurer, DeDe Liakakos — Secretary, Meta Pulos — Historian, Karen Weiss — Sgt.-at-Arms, Lauren Rosenfeld. From here their task began, to pull a group of strangers together as one united class. As freshmen, we feared that the wide variety of personalities among our class would impare our unity. However, it was this individuality which eventually enhanced our class union.

With a year of uncertainty behind us, during our Sophomore year our confidence grew as a class, while Freshmen Day took on a whole new meaning. Our officers; President, Robyn Blonstein — Vice President, Jim Nickolas — Secretary, Karen Weiss — Treasurer, DeDe Liakakos — Historian, Lana Fried — Sgt.-at-Arms, Randy Gianopulos headed our enthusiasm as we participated in Spirit Week with an abundance of spirit and unity that could not be overlooked, winning us second place. Our pride showed through as we looked with assurance toward our junior year.

Our Junior year our spirit and unity peaked, as we proudly bore the title of upperclassmen. The class officers; President, Rita Jackson — Vice President, Jan Sammons — Treasurer, Carol Crider — Historian, Jodi Feinhor — Sgt.-at-Arms, Kelli Marshall reminded us of the responsibilities that we had to meet in order to prove this spirit. So our class volunteered its time to work on Rikes inventory, a fund raiser which was very successful. Our efforts were then directed towards Spirit Week. Throughout Spirit Week our hard work, creativity, and originality echoed through the school from Togo Day to Happy Days, winning us the proud title of Most Spirited Class. The success of the year continued as we presented the senior class with the Junior-Senior Prom "This Must Be Heaven." After dancing among the stars to the music of "Custom Made," we socialized at the West YMCA for afterprom. The final, and perhaps hardest task of our junior year was preparing to say good-bye to the senior class. But as we weaved into the senior section on class day we realized with great pride that our time had finally come, we were now the leaders.

The first major event of our Senior year was to select our Homecoming King and Queen, Matt Wells and Kelli Mack and Senior Attendants, Debbie Miles and Jesse Howard to reign at our final Homecoming dance "Just To Be Close To You." Our Turnabout dance followed a few weeks later and along with the collection of class dues it provided us with the money needed for our Senior swim party and dinner dance. The turn of the semester left our class in an unexpected turmoil with the loss of officers, many seniors, and our title at Spirit Week. It took our class officers; President, Carmen Carroll — Secretary, Kelli Cox — Treasurer, Carol Crider — Historian, Leann Steineman . to help transform these disappointments into a bond which would pull are class closer together. For we are not only a class who unites for victory, but a class who joins together when the support of a fellow classmate is most needed. We are a class of leaders, and a class that takes pride in the respect and admiration we have earned through our accomplishments.

Now, we approach the final step of our High School years — graduation — with a realization of what High School really is. For being a Senior means you finally figure out what makes you smile or frown, what's a good time, a good friend, and what people mean when they say the time goes by so quickly.

"I shall not pass this way again . . .  
Yesterday is gone, never to return"

Leann Steineman

A crowd is not company and  
faces are but a gallery of pictures.

The meeting of these champions proud,  
seemed like the bursting thundercloud.

Nothing is ended with honor which  
does not conclude better than it began.

Mr. Youngerman,

Since I enjoyed you so much in Biology, I felt that I should take chemistry. Whether or not I succeed as a chemist, it has been an enjoyable year. Thanks for not letting your nerves get the best of you and trying to keep your patience down.

Lots of Love,

Julie Ruckman

I am not afraid  
of tomorrow,  
for I have seen  
yesterday and  
I love today.

Mr. Youngerman.  
You are a terrific teacher. I ever  
have. Being in your class is so much  
fun, and I have learn so many different  
things from you. Chemistry is part of your life.  
And I'm glad that I can see part of you and  
take it with me anywhere I go. You are  
favorite of every student. I always heard good  
side of you from friend, classmates. I will  
always remember you. The Best of All Teachers.  
Best of luck always.  
Mayrae Sripomut.

*Hardworking, enthusiastic, productive, and successful. These words describe the spirit-filled class of 1984. Their advisor, Miss Kates, gives them much credit for their accomplishments. They collected class dues, successfully completed various fund-raising campaigns, and worked hard during Spirit Week. Their motto, "84 gives you more" certainly captures the mood of this class.*

PARKING STICKERS — "PAY ME NOW OR PAY ME LATER" — RAX

"UNDER PRESSURE" — SADAT'S ASSASSINATION

Mr. Youngerman,  
Being that we are inseparable in Chemistry class, we thought we might as well write this together too! Believe it or not, we've actually learned something in here this year (who's dating who, who's mad about it and why!!!) Organic chemistry has been our favorite (we're almost passing!) and because of this we are each naming our first child in memory of you! Won't it be exciting seeing little "Dimethyl Ethyl Ester Ketone Ether"'s running around!!! Do not fear — when we are great, millionaire chemists — we'll still remember you!!! We've already started our practice by developing the Rubin-

humaker Theory! **Doing business without**

Mr. Youngerman,  
What can I say, you're a fantastic Teacher. I'm  
sure you'll always remember this year's Chemistry class, and  
the many times we had laughs out of the questions and  
comments of the girls up front. I'm sure never in  
your teaching career have you heard so many "I don't  
understand!" 's. I truly appreciate the education you've  
given me and I'd like to  
thank you for making  
chemistry fun to learn

## editor's note

I think of this yearbook as if it were my own child. When first conceived, I had tremendous expectations for it — that it would become the “greatest of all yearbooks” or something equally outrageous. Yet, as it progressed through its various deadlines, the book began to take on a personality of its own. Unlike any “parent,” I am far from disappointment. Moreover, I am pleasantly surprised.

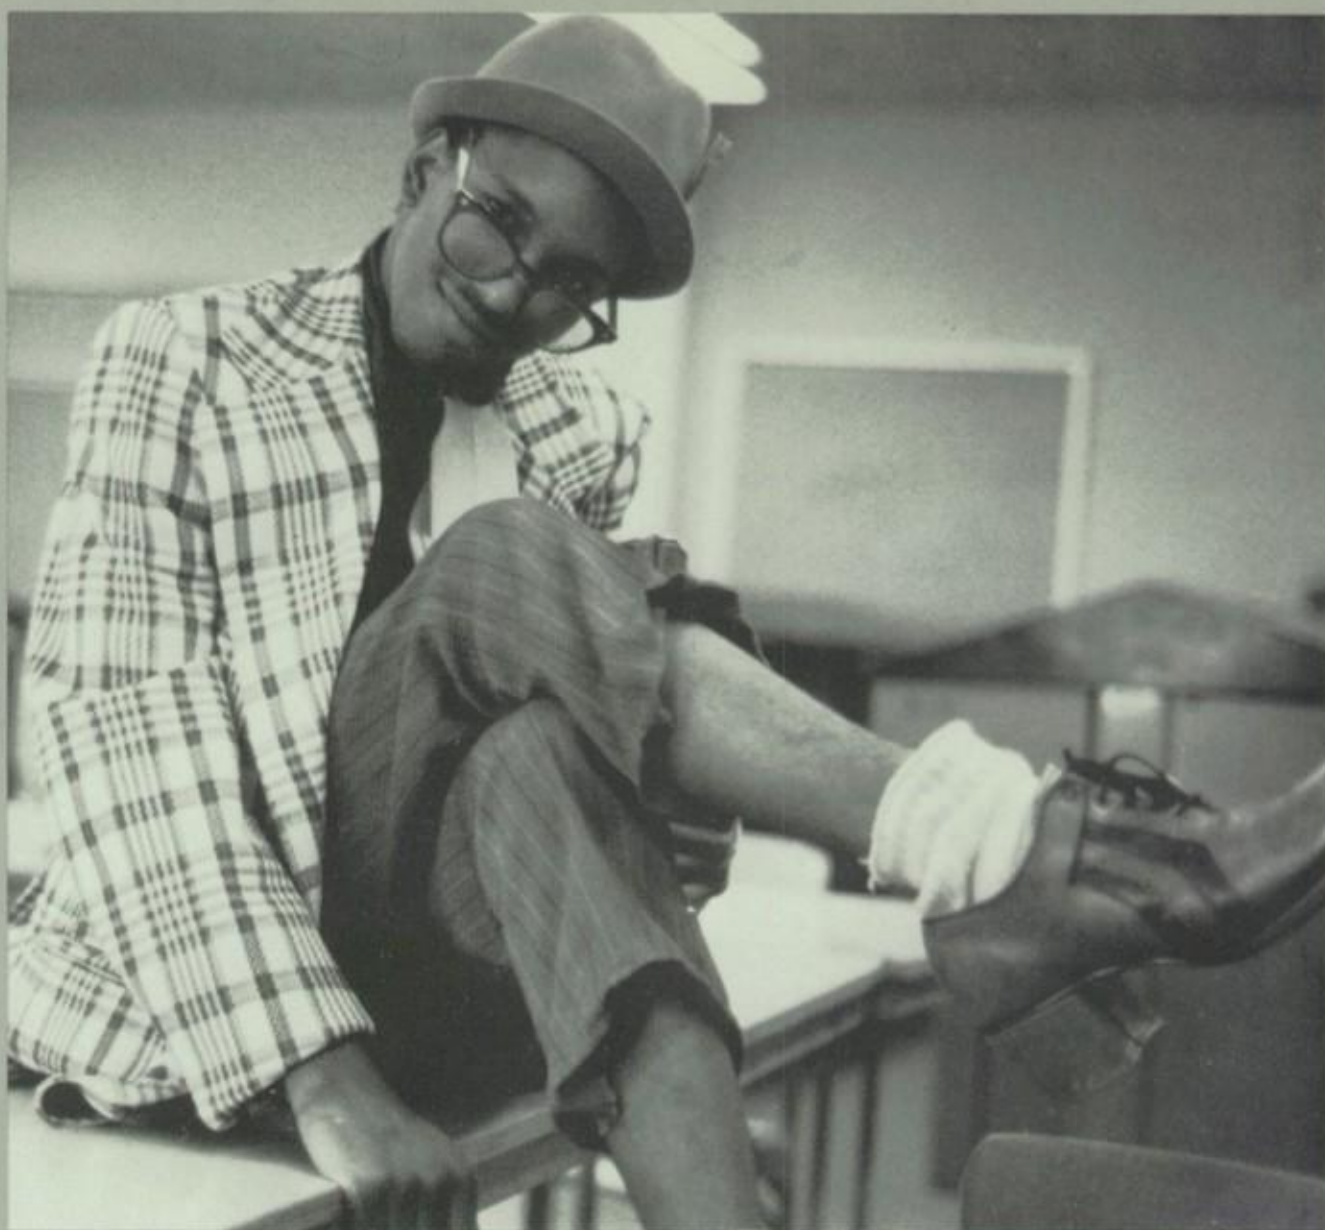

The personality of this yearbook was shaped mainly by this year’s staff, a group of progressive students whose hard work deserves to be commended; and to our advisors, Mrs. Tabackman and Mr. Hines for their input and help in organizing a somewhat naive staff.

I sincerely hope that you, the reader, enjoy and treasure this book of memories in the years to come. Because that, after all, was my first and greatest expectation.

Mr. Youngerman,  
This class has been interesting to say the least. Chemistry was even more so. Nevertheless, those classes could not have been that way without the right teacher. I have really enjoyed having you as a teacher and I haven't regretted one minute of the time I've spent in your class. Even though I will not have you as a teacher next year I hope that I cause you to have to put up with me for another year.

Mr. Youngerman,  
It's been a real enjoyment being in your class for the past 2 years. I've had a good time but more importantly, I've learned an awful lot of the good times we had alot for all of the second semester. Thanks on joke day and the current event we had on joke day. There won't ever be another Bio. II class like this one.

 trying to keep softball  
 score, and thanks for  
 being our coach. I  
 believe we had a  
 successful season.  
 You are a very  
 nice and wonderful

Mr. Youngerman,

Despite my inability to pass Chem. I think you're a great teacher and an even better friend. I've had fun in both Bio. & Chem. Good luck teaching all those new classes next year. (Perhaps you'd see me again in remedial chemistry!) You're the only reason I won't show up for this class!

Love you always

Patty

Mr. Youngerman,  
It's been great having you for my teacher these past 2 years. I'm glad you had the patience to put up with me sometimes. You've taught & helped me a lot. I hope to have you as a teacher again if possible. I'll probably have you for homeroom my senior year so watch out!

Love ya,  
Cindy

Mr. Youngerman,

have It's been a real pleasure  
to<sup>n</sup> been in your science class my  
freshman yr, Chemistry my junior yr,  
+ homeroom my senior year. It looks  
as if you couldn't get rid of me.  
Good luck at MHS Take care +  
be good.

Love.

Tina

Mr Youngerman,

I've really enjoyed being in  
your home room this year. You  
a really nice guy. It's too  
bad I couldn't have been  
in one of your classes. Maybe  
I'll see you sometime soon.  
Take Care.

Love,

Whie

Youngerman  
Mr. (Shorterman),

Thanks alot for being  
such a good and nice  
teacher. I appreciate all  
the help you have <sup>tried</sup> given me  
and I hope that in the next  
two years I might have you  
for a teacher again.

Take Care and have a  
really good sommer.

to Mr. Youngerman,  
to one of the truly best  
teachers I have ever had the  
pleasure of having. I just wish that  
I would have taken the advantage of learning  
studying in your class. (though science is not my best subject)  
maybe I'll see you again maybe I won't, but I just wanted  
you to know that I've enjoyed your classes and I do have a lot of  
respect for you. I think that this year is not a total loss because I  
feel because of your constant concern & coaching has taught me the importance  
of studying in High School. Well I wish you the best and hope that you  
don't get stuck with another one like me.  
P.S. Keep up the good softball  
coaching.

Yours truly,
